Records dispute death claim Ambulance service 'speedy' in city

By JIM CARRAVALLAH
Of The Roman Staff

The owner of the ambulance company which offers Romulus emergency care disputes the claim of a Romulus father that his son died because of slow service.

Robert Rutledge, owner of Taylor Ambulance Co., said a time clock which records ambulance movements in the city, indicated that an ambulance was at the scene of an accident involving a 17-year-old Romulus youth within nine minutes of receiving a call on the accident.

The youth's father, Ernest Scott of 6210 Cordell Street, told The

Romulus Roman last week that his son, Gordon, laid in a field near Cordell and Beverly roads for nearly a half hour before an ambulance arrived.

Scott claimed that a doctor in the emergency room at Wayne County General Hospital informed him that his son may have had a better chance to live had he arrived at the hospital five minutes earlier.

After slipping into a coma, Oct. 12, the youth died of head injuries Oct. 14.

Rutledge said that the response of his ambulance to the call "was as good as it could be, in fact it was

better since the ambulance was dispatched from Taylor instead of the city location for service at Goddard and Wayne roads."

The accident occurred in north-eastern Romulus on the opposite side of Detroit Metropolitan Airport from the ambulance location in the city.

Time clock records presented to The Romulus Roman showed that the youth was picked up and taken to Wayne County General Hospital within 20 minutes of the emergency call being made by the Wayne County Sheriff's Road Patrol unit which answered the accident call.

Sheriff's field reports indicate that a police unit was on the scene of the 1-car accident at 7:31 p.m. Sheriff's log reports, which have more accurate figures on the time of dispatch by radio, indicates that the sheriff was called to the scene at 7:32 p.m., and that the ambulance was called four minutes later.

According to a report prepared by Jerry Kubiak, director of public safety for Romulus, the ambulance left the accident scene at 7:52 p.m. and arrived at Wayne County General Hospital four minutes later.

Rutledge refused to criticize the distraught father, stating that the

man may have complained about the speed of the service because of the stress situation.

"I can't understand the discrepancy, but I'd attribute it to the situation," he said. "Time seems to drag under stress."

Romulus Mayor Terry L. Troutt said that he is satisfied with the ambulance's response. "Particularly when you consider that the ambulance report is backed up by a report prepared by the sheriff on the accident."

"In light of that I have no comment on the situation, other than it's

unfortunate that the youth died," he said.

Taylor Ambulance has been providing emergency service to the community for the past two years. The city pays \$6,500 per year to have an ambulance on hand in the city at all times. The Romulus City Council approves the payment on the recommendation of the mayor.

According to Rutledge, the ambulance is dispatched from a location near the Romulus City Hall, and when the Romulus unit is in use, a second ambulance located in Taylor is called in as a backup should another emergency situation occur.

Citizens to vote

Depending on the weather, as many as 6,000 voters will hit the voting booths in Romulus Tuesday.

Balloting will begin at 7 a.m. Tuesday and run until 8 p.m. the same day with persons in line at 8 p.m. being allowed to vote before the polls officially are closed.

Clerk Leonard Folmar estimates that the primary turn-out of 3,700

voters will be increased by at least 50 per cent during the balloting in the general election.

More than 13,000 voters are registered in the city, and will be asked to select candidates to fill nine of 10 elective offices when the polling begins.

Only Folmar's position as city clerk is uncontested in the general election balloting.

More than 500 voters are registered for absentee ballots, according to Folmar, and the time it takes to count those votes will determine when results are known.

Folmar said he expects to have the results from the city's 17 precincts available by 9 p.m. election day, but indicated he does not know when the absentee ballots will be counted.

Troutt to seek shops

Obtaining adequate shopping facilities for the residents of Romulus is the No. 1 priority of incumbent Mayor Terry L. Troutt if re-elected for the next two years. Troutt told interviewers from The Romulus Roman that he will attempt to proceed where private concerns have failed during the past two years by utilizing a new state law to promote commercial development.

"We've tried to build a center with private money, but it has been difficult," Troutt said. "The new state law will allow us to proceed with a plan, if we're elected in November."

Incumbent Mayor Terry L. Troutt is being challenged by James C. Stewart for the city's top administrative post.

Incumbent Treasurer John B. Lewkowicz is being challenged by Franklin Ayers Sr. for the city's chief financial post.

And six incumbent councilmen—Fred Junior Block, Lung Coleman, Joan A. Lee, Beverly McAnally, William M. Oakley and Jack Trumble—are being challenged by seven candidates—Gervazio Canejo, Charlie Harris, Joseph R. Kochanoski, Jon Madish, Robert Martin, Jimmie C. Raspberry and Oliver Warren.

Seven 2-year positions will be filled on the council with the top vote-getter being elected mayor pro tem of the city.

Stewart to curb spending

Although he's reluctant to identify persons whose positions he would like to eliminate in the city government, mayoral challenger James C. Stewart has pledged to rid the City Hall of "dead wood" if elected to the city's top administrative post Nov. 4.

"I don't want to name names, but many unnecessary positions have been created in the city during the past two years to give political appointments," Stewart told interviewers from The Romulus Roman. "If elected I'll eliminate those positions to save the taxpayers money."

Upon questioning, Stewart said that two administrators and one secretary in the city's Department of Responsive Government were unnecessary, since "being responsive and answering complaints is the job of the mayor, and could be handled full time with just one secretary."

Ayers tries to unseat Lewkowicz

Romulus' incumbent city treasurer is being challenged by a political newcomer whose campaign platform is to obtain a complete audit of the city's books.

Franklin Ayers Sr. said he is challenging incumbent John B. Lewkowicz because: "I wanted a state audit of the city's books, and was told that it would cost \$5,000 or \$6,000 to get it."

"So I ran for treasurer to find out if the rumor that the city is broke is really true."

In his race, Ayers is challenging 2-year incumbent Lewkowicz, who is running on his past record as treasurer.

During his two years on the job, Lewkowicz indicated that he has increased the city's investment revenues through the use of tax collections and has straightened out accounting practices.

"The city has just received a preliminary report from its auditors which indicates that we're in good shape," Lewkowicz said. "It showed that there has been no misuse of funds during the past two years."

Ayers presently is on medical leave from the Signal Delivery Co. He is a 9-year resident of the community who has been active in Little League baseball and Romulus Ladies softball.

The 38-year-old is married and the father of five children.

Lewkowicz, 57, is a 13-year resident of the community.

He is married and the father of eight children.

A member of St. Anthony's Catholic Church, Lewkowicz is treasurer of the Romulus Democratic Club, president of the Romulus Kiwanis, and is a former leader in the Boy Scouts of America.

The queen and king

Seniors Alice Verduco and Chuck McBride were chosen queen and king of the Romulus High School homecoming Saturday. Both presided over the homecoming game, won by Romulus over Willow Run High School by a 14-6 score, and over ceremonies and the annual homecoming dance. Included in the ceremonies was the selection of the class with the most spirit, following homecoming week competition. The junior class won the spirit jug, and the senior class won the annual float competition. The king and queen were picked during balloting by the entire student body.—The Romulus Roman photo by Chief Photographer Lothar E. Konietzko.

13 candidates to vie for 7 council seats

Thirteen candidates will vie for seven seats on the Romulus City Council in the Nov. 4 general election.

Included in the list are six incumbents: Mayor Pro Tem Beverly McAnally, Council President Pro Tem Joan A. Lee, and Councilmen Fred Junior Block, Lung Coleman, William Oakley and Jack Trumble.

Challenging them are Gervazio Canejo, Charlie Harris, Joseph R. Kochanoski, Jon Madish, Robert Martin, Jimmie C. Raspberry and Oliver Warren.

Block, a self-employed businessman in the community, has been a member of the City Council since it was formed with city incorporation in 1971.

Canejo is a former school board member who is making his second attempt to obtain a council seat. He is a local businessman.

Coleman is completing his first 2-year term on the council.

Harris, an autoworker, is marking his first run for a council seat after serving on the city's police force and as a constable.

Kochanoski is marking his first attempt to win a council seat as an independent.

Mrs. Lee was elected to her council seat in 1973 and is seeking her second 2-year term.

Madish is seeking his first term on

the City Council.

Martin, a local businessman, is attempting to win a council seat after barely losing out in the 1973 general election.

Mrs. McAnally is seeking her second term on the council after winning a position in 1973.

Oakley is a local businessman who has served on the council since 1971 when the first council was formed.

Raspberry is attempting to win a council seat for the second time after being unseated from a 2-year term in the 1973 general election.

Trumble is seeking his second consecutive 2-year term on the council. He's employed as a heating and cooling specialist.

Warren, an autoworker, is seeking his first term on the council.

A 14th candidate made it through the city's primary election in August but had to leave the race last month. Jeffery C. Dahlstrom moved to Taylor after winning in the primary.

Seven of the 13 remaining candidates will be elected to 2-year terms on the council to begin one week after the election.

Stewart eyes money

Continued from Page A-1
Stewart said that spending practices may have deprived Romulus residents of paved streets, since the city's gas and weight tax funds have been pledged into a 15-year bond issue.

"Under the previous administration the city was blacktopping streets, saving money and then using it for a few miles at a time," Stewart said. "But they've used up all the city's gas and weight tax funds for construction, and today they're using city revenue sharing funds to pave roads."

Stewart added that he doubted if the city could do

anything about unpaved streets because he feels tax money has been manipulated.

He said that currently the city is spending 10 mills in its general operating budget and pledges if elected that he would lower the operating expense to seven mills and reshift the other millage where he claims they belong.

Although Stewart voiced dissatisfaction with the construction of the new city parks, saying that they were poorly planned and little used, if elected, he said he would like to see a Little League baseball stadium for youngsters in the city.

Troutt seeks shops

Continued from Page A-1
Troutt answered charges of engaging in loose spending by opponent James Stewart by stating: "You get good personnel by paying them adequate wages."

"I've been criticized for surrounding myself with friends, but I wouldn't hire enemies for jobs in the city."

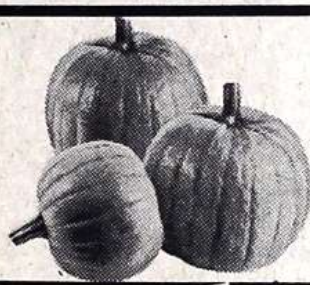

If re-elected, Troutt pledged to purge the employment rolls of administrators who may not be effective in their jobs, and to replace them with more qualified personnel.

In response to an inquiry about rising wages, Troutt said he intends to propose

more salary increases for key administrators to put the city on a more competitive basis with others in the nation for qualified personnel.

The mayor reiterated a statement that he hasn't committed jobs in his administration to supporters, including former mayoral candidate Calyton W. Meldrum who pledged his support to Troutt after losing in the August primary election.

He indicated that there is no truth to the rumor that he intends to resign his post to leave it to Mayor Pro Tem Beverly McAnally, if she is once again elected to the top post in Council.

New York must solve own woes

One of the really hopeful signs in the debate over whether the federal government should bail New York City out of its money problems is the cool reception the city has received in Washington. After years of watching Washington try to solve every problem it caught sight of, maybe there is a realization now that the best solution to every problem does not lie in Washington. And there may be a realization that the easy way out is not always the best way out of a problem. To hear the New Yorkers tell it, you would think they were the first and only governmental unit in the country to be hit by rising prices and falling revenues. You would never know that more than 2,000 American cities and towns have defaulted on their debts since this country was founded, with the country surviving just fine. Default, after all, does not

mean repudiation of debts. It just means the debts cannot be paid on schedule. Eventually, they will be paid off on a longer schedule than originally was agreed to. And it is, after all, the fault of New York's own elected politicians that the city is in the trouble it is in. If they had not given in repeatedly to city employees' unions and had not tried to run such a lavish governmental system while paying for it by borrowing ever larger sums of money, the trouble would not be here today. It is patently unfair to ask a taxpayer from Michigan to chip in so that New York can have the highest paid garbage men in the country. Any sympathy we might have felt for the Big Apple was doused for good when city employees threatened to strike if they had their wages frozen. It is incredible, really, that they could be so selfish, greedy, and short sighted. But it is understandable when you

remember that all they have had to do in the past to get their way is make some threats. It is particularly ironic to hear talk of helping New York from Michigan, where state government is in its biggest fiscal crisis ever. The state budget is \$300 million out of balance and has to be made right. But no one has suggested the federal government bail out Michigan. There have been only two alternatives raised — raise taxes or lower spending. And if we want to look for cities in fiscal trouble, let us look at Munising, a city of less than 4,000 which finds itself more than \$500,000 in debt due to mismanagement by politicians. Yet no one has suggested a federal bailout for Munising. In the end, the only way to insure that people will act in a responsible manner is to make sure they take the consequences of their actions. And that is all that the opponents of a bailout are advocating — let the city of New York take the consequences of its actions. President Ford repeatedly has said he opposed any bailout. We applaud his stand and hope we can rely on our congressmen to join with him. It is the only responsible approach to the situation.

As they see it

Residents upset about meet attendance

To the editor: I would like to submit the following for the "Letters to the Editor" column:

Recently, the Romulus Area Council of PTA held a "Candidates Night" for the purpose of helping the

voters to make a knowledgeable decision on Nov. 4.

All the candidates we contacted by two letters, one stating the purpose and the other the format. Mr. James Stewart, in addition, we attempted to contact by telephone and by trying to personally track him down, numerous times, at which each time a message and phone number was left.

Those candidates who did not attend our "Candidates Night" did not even have the common courtesy of notifying us with the exception of Mr. Joseph Kochariowski, to let us know they were unavailable.

I feel if these candidates are this uncooperative and preoccupied before the election what will happen if they are elected?

Lynne Slaughter, President
Romulus Area Council PTA

To the editor: "Where Have All the People Gone" could very well have been the theme of the PTA-sponsored program called "Meet the Candidates" on Oct. 17.

It's true, Friday is an inconvenient day for some, with it being their pay day and shopping time, but, surely not for all the citizens of Romulus.

This is somewhat excusable, but what isn't is the attitude of mayoral candidates Mr. James Stewart and an embarrassing number of council seekers. To my knowledge only one had an unavoidable emergency.

If the candidates can not or will not give a few hours of their time to the public now, God help us if they ever take office. If we are not important to them now, when will we be?

Are they that sure of the outcome of the election, — so they can sit back and wait for the voters to roll in? Or could it be that some are fearful of meeting the public and having to back their statements?

Many people still are undecided about who to cast their vote for. If any of these people were present on Oct. 17, I am sure that their minds were made up when they left.

If those who didn't attend feel they need not waste their time on the public, then we should feel we need not waste our vote on them. After all they need us, we don't need them.

Nolene Sussine

To the editor: I would like to address this to all Romulus citizens

Readers are invited to send their opinions on events of public interest to the editor of The Enterprise-Roman, 35540 Michigan Avenue, Wayne 48184. Each letter must include the writer's signature, address and telephone numbers. Letters which do not include the above criteria will not be published.

Also, being that this is an election year, letters of personal endorsements of or tribute to candidates or suspected candidates will not be published. Those endorsements will be included in the newspaper only as paid political advertisements.

Names will be withheld from letters to be published only for good reasons. Those reasons must be included on the letter. The request "do not use my name" is not enough and those letters will be published with names. The editor reserves the right to edit and condense letters.

and candidates. On Oct. 17 the Romulus Area PTA Council staged a candidates night and debate between the mayoral candidates. A lot of time and work was spent on this

project. I know, because I helped. After attending I have this comment. I now think we have two "teams" of candidates, one independent clerk and one in-

dependent council candidate. One team of candidates (Trout Team) must care about Romulus and its problems because they were all there with Mr. Leonard Folmer and Mr. William Oakley.

But what about the other "team" of so-called "independent" candidates?

I hear that there was a party that same night. If elected is this where those candidates will put their priorities? Or is the reason they couldn't attend because they couldn't answer questions and didn't know the issues?

I think the public has had the wool pulled over their eyes long enough.

I think we have no independents but a "team" of party-goers whose ideas about what is important are all same night. If they were truly independent and their own thinkers, we sure should have seen them Oct. 17. The important question is, if elected, is this what their platform would be? "Avoid all issues, write advertisements in the newspaper that they cannot publicly defend and when challenged, have a party instead?"

If I, as a concerned citizen, could find time to go out on a cold rainy Friday night to see them, why couldn't they show me the same courtesy?

To the editor: I think the PTA Area Council is to be thanked for sponsoring a "Mayor and Candidates Night" at the High School Oct. 17.

By doing so, PTA as an unchallengable non-partisan group, fulfilled one of their fundamental objectives of responsibility for community, church and child concern.

I cannot say as much for mayoral candidate Jim Stewart and all but one of the independent candidates. To those who attended, my appreciation for attending the meeting. To the rest, I question their importance of priorities. Is this the type of concern and consideration we are to expect should they win this election? I sincerely hope the voters of Romulus ask themselves this question before going to the polls on Nov. 4.

The Enterprise-Roman, being committed to bringing the Bicentennial closer to our readers, has been publishing the series, "The Michigan Big Story." Originally, plans by the Michigan American Revolution Bicentennial Commission, which had been preparing the series, were to supply The Enterprise-Roman with 76 installments. But due to financial problems, the Bicentennial Commission must discontinue its effort. A letter from the commission stated: "We have every intention of pursuing various sources of funding, both private and public, and are optimistic about the completion of the series."

NILES (1838) — On this late fall day U.S. soldiers began escorting 300 Potawatomi Indians from Michigan to Kansas.

Less than 40 years ago the tribe held sway over parts of Wisconsin, Northern Illinois and Indiana and Michigan south of the Grand River.

The government claims that the Indians have no right to the land now, based on treaties between the government and the Indians.

The agent in charge of today's removal, Mr. Godfrey, claimed the move was long overdue. "The treaties provided that the Indians would vacate the land over two years ago. The troops have been necessitated because the tribe has not moved out on its own," he said.

Godfrey claims that the Indians have been cheated and overcharged by unscrupulous traders and must be moved to protect them from the White settlers.

However, the Indians are not happy with the move and not all are going.

Under the terms of one treaty about 250 Michigan Potawatomi are staying. Led by Chief Leopold Pokagon, the tribe is being allowed to form a community on lands in Cass County near Silver Creek.

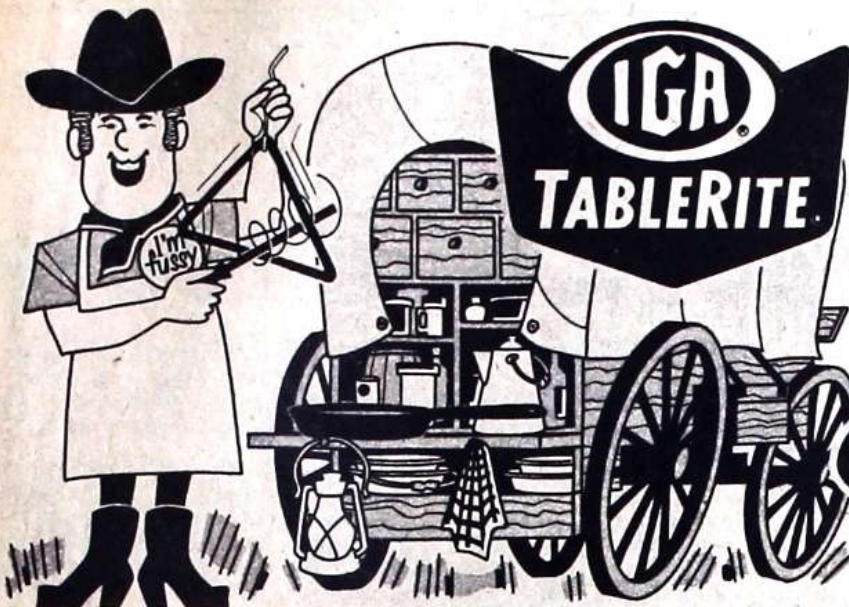

"I signed to save the land which my people have here now. I signed so that I and my children can live in the land of their fathers," Pokagon said.

It is expected by nightfall all the Indians headed for Kansas will have started their journey.

EUREKA AT INKSTER ROAD, ROMULUS

After 33 years of service

I-94 modernization closes Willow Run route

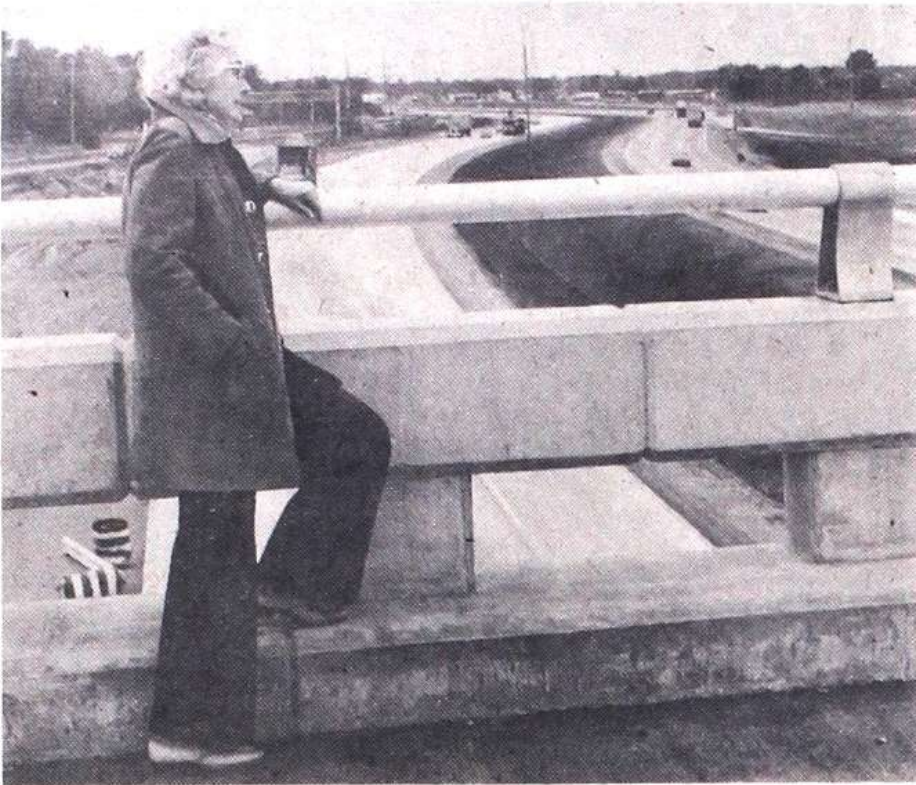

Modernization of Interstate 94, fully opened to traffic this month between Ypsilanti and Ozga Road in Romulus, ended the 33-year era of the Willow Run Expressway, Michigan's first and most famous freeway.

The new facility obliterates the 4-lane Willow Run Expressway, constructed in the early months of World War II to shuttle workers to the huge Ford bomber plant near Ypsilanti. Other work underway on I-94, continuing a modernization begun by the State Highway Commission in 1968, eventually will provide motorists with a 6-lane freeway between Ann Arbor and Detroit.

Once, the Willow Run was the most important highway in Michigan, earning a place in history along with such famous war routes as the Burma Road in Indo-China and the Voie Sacree (Sacred jakey) to Verdun in World War I.

Safe from enemy attack and near the Detroit skilled labor pool, the flatlands of Ypsilanti were chosen for construction of the largest aircraft factory on the North American continent. There, the Ford Motor Co. began turning out the famed B-24 Liberator bomber.

To assure a flow of 42,000 workers in and out of the plant every 24 hours, the Willow Run Expressway was constructed on the

JUST LOOKING — Federal agents thought she might be spying when they took Alice Bourquin (above) into custody 32 years ago while she was studying plans for the famous Willow Run Expressway, then under construction. Actually, Miss Bourquin, of Ann Arbor, was a landscape

architect with the State Highway Department, planning tree-plantings along the wartime expressway. Here, she looks over the reconstructed freeway nearing completion along the route of the old Willow Run in Wayne and Washtenaw counties.

same priorities as the plant itself, under the Department of State Highways and Transportation, then known as the State Highway Department Directing the Department was G. Donald Kennedy, who ordered three-fourths of

the Department's engineering personnel into the area, including all bridge project engineers. Underscoring its importance, President Franklin D. Roosevelt himself inspected the freeway while it was being

built in the years when the nation was working at top speed to turn out the tanks and planes and guns needed by its armed forces. Contractors moved in from all corners of the state, usually starting work the day after contracts

were awarded. Day and night, seven days a week, bulldozers and heavy equipment moved earth, shaping the ground for roads and bridges. Triple-level bridges, two of the first in the country, were built at main entrances to the plant.

Department project engineer Keith Baguley of Cadillac, now retired, supervised 55 state highway engineers and technicians along with six major road and bridge contractors and a host of subcontractors.

"Now" was the password, Baguley said. "That meant pouring concrete in freezing weather — without reinforcing steel, which was unavailable," he added. Baguley's crews and contractors took every short-cut possible. Short of truck drivers, contractors hired women to do the work. When absence of a worker threatened to slow a job, Baguley himself pitched in, driving trucks and pouring concrete.

As soon as road concrete hardened, the Department authorized traffic from jammed side roads to use it, so the Willow Run Expressway was opened section by section.

Concurrent with construction of the Willow Run, work was progressing on the adjoining Detroit Industrial Expressway to the east. After the war, both highways continued to carry traffic and eventually were incorporated into the nationwide Interstate freeway system and numbered I-94. Post-war increases in traffic and deteriorating pavement required resurfacing, widening, relocation and construction of additional interchanges, eliminating all traces of the original expressway.

Only a handful of employees who worked on the

Willow Run remain in the Department of State Highways and Transportation. Joseph Oravec, now chief of highway maintenance, is the only remaining bridge project engineer assigned to the expressway. He well remembers the tremendous effort to get the job done so that America's war

effort would not falter for want of a highway.

"We've built nearly 1,500 miles of freeways in Michigan since then," he said. "All of them are much better designed and constructed than the old Willow Run. Not a one, though, was built with the dedication and intensity of

that wartime expressway. To me, that project always will represent the Department's finest hour."

The widening and partial relocation, costing nearly \$30 million, provides a 6-lane divided facility between Ypsilanti and Detroit.

Legislation to provide county with money

The Wayne County Board of Commissioners is urging Congress for quick enactment of pending legislation that would provide \$2.12 billion for public works construction projects and \$1.7 billion in anti-recession aid to areas with high levels of unemployment.

Under terms of House Bill 5247, if enacted, Wayne County would receive \$8 million in anti-recession aid, plus substantial sums for building a new county jail and other facilities, according to a resolution the board approved recently.

The bill also is known as the Public Works Emergency Act. It would make available about \$45 million in anti-recession aid throughout the entire State of Michigan.

The resolution, submitted by Board Chairman Roscoe L. Bobo, points out that "the level of economic distress throughout the county has been and remains severe" and that more than 200 employees are threatened with layoffs.

The resolution also notes that the unemployment rate in the state in September was more than 12 percent, one of the highest in the nation.

"This poor economic condition prevents the county from raising new revenue locally, thereby threatening the termination of programs," the resolution continued.

It also notes that the Board of Commissioners is under court order to "relieve inhuman crowding and conditions" in the jail and that a new court building and medical examiner's facility is needed to carry out "proper functions" assigned by state law.

In another action, the commissioners also urged the State Legislature to quickly adopt Senate Bill 243, which would establish a Job Development Authority to promote economic development and help finance industrial and pollution control projects in the state.

The commissioners also authorized three grant applications for almost \$20

million of state and federal funds for continuation or improvement of existing substance abuse programs.

One grant for \$13.5 million would continue the County Department of Substance Abuse Services with funds from the State Department of Health, and another grant using \$5.7 million of Health Department money would offset an anticipated deficit in the City of Detroit's substance abuse program.

The final grant would give \$257,598 of federal

money to the County Department of Health for administration of a substance abuse program in behalf of the U.S. Bureau of Prisons.

In another decision the commissioners approved a proposal to require a Troy real estate company to post \$2 million bond against costs incurred, if it should lose a lawsuit it filed to prevent construction of the proposed new county jail.

The firm, Grossman & Co. Real Estate, owns a surplus J.L. Hudson

warehouse that it wants the county to buy and renovate as an alternative to new jail construction.

Under conditions of the bond proposal, if the suit fails the Grossman Co. would have to reimburse the county for all court costs and increased costs of construction due to any delays caused by the suit.

At the same time it approved the proposal, the board ordered its Office of Corporation Counsel to petition the court for the bond requirement.

a new, modern Shopping Center for Romulus!

The Troutt Plan:

Mayor Troutt played a key role in winning approval for a new State law clearing the way to bringing a major new shopping center to Romulus.

Mayor Troutt has been actively promoting the development of such a center — so we can do our shopping at home without having to drive miles and miles to spend our money elsewhere!

Just this month Mayor Troutt traveled to western Michigan to confer with city officials on how they are using the new State law to help bring a huge shopping center to their city.

Mayor Troutt is going to get Romulus a shopping center come hell or high water. Trust Troutt and the Troutt team. They deliver.

TRUST TROUTT to keep Romulus moving forward!

Lawmakers to decide state's role in housing

By WES THORP
Panax Lansing Bureau

Michigan lawmakers are faced with deciding what the extent of the state's involvement in the financing and construction of housing should be.

The Legislature decided in the late 1960's that the state should use its power to issue tax exempt bonds to provide money for construction of housing for low and moderate income families.

To do this, the Legislature created the Michigan State Housing Development Authority (MSHDA) which has borrowed approximately \$460 million to construct 21,000 housing units.

The goal was to increase the amount of housing available to people in the lower income ranges.

This fall, the state Senate will be asked to increase drastically the amount of money the state housing

authority can borrow, as well as increase the amount of power that the state agency has.

A bill introduced by State Rep. William A. Ryan (D-Detroit) passed by the House earlier this year, would transform the housing authority into a mini-version of the federal government's Department of Housing and Urban Development.

According to housing authority officials, the demand for subsidized housing far exceeds the amount of money available to construct. This demand increases everytime housing and construction costs increase, they said.

In the bill, which is being considered by the Senate State Affairs Committee, the housing authority

would be given the following additional authority:

—Increase its bonding limit from the present \$600 million to \$1 billion. This is money that it borrows from the conventional money market, along with the federal government and private enterprise.

—Increase the authority's power so it can finance construction of ancillary facilities to housing projects. This would include any kind of commercial facility that could complement a housing development, such as a supermarket, a theater, a shopping center, or office building.

—Increase the authority's power to allow it to loan mortgage money to banks and savings and loan associations which would in turn loan the money to homebuilders and other persons seeking mortgages.

The authority also would be allowed to make individual loans at an interest rate less than the interest rate it borrowed the money at.

The bill comes during a time when national money markets are becoming

wary of governmental tax-exempt bonds. Because of New York City's near default on its bonds, those able to sell their bonds have had to pay unusually high interest rates.

Ryan's bill is expected to be approved sometime this fall by the Senate Affairs Committee, whose

chairman is State Sen. William Faust (D-Westland).

Then the bill would come before the full 38-member Senate for final consideration.

The housing authority proposal is one of several which involves the state's borrowing of large sums of

money to finance specific types of projects.

Gov. William Milliken is pushing a \$230 million construction bonding program where the state would borrow that amount or more for the construction of public facilities

to give Michigan's sagging construction industry a boost.

At the same time, the Michigan House is being asked to approve a proposal to create a State Job Development Authority which would

borrow money to loan to businesses and industry.

Passed earlier this year by the Senate, the Job Development Authority would loan the money at rates that would be competitive with those offered by private lenders.

K of C ready for 2 donkey BB matches

The Fr. Maximilian Kolbe Council of the Knights of Columbus will be the sponsors of an evening of donkey basketball when they host two games at 7 p.m. Nov. 8 at Belleville High School.

The first game will start at 7 p.m. and pit St. Paul's Circle 804 Squares against Fr. Victor J. Renaud Circle 2344 Squires. The team

members will be between the ages of 14 and 16.

The second game, which will start at 8 p.m., will pit The Belleville Knights of Columbus Council against members of the Notre Dame Council of Wayne.

Tickets for the two games cost \$1.25 for children and \$2 for adults. They can be purchased from council members, or at the door.

Safety course ready

Youths between the ages of 12 and 16 are being offered a Michigan State Department of Natural Resources - sanctioned hunter safety course in Huron Township.

Classes will be offered between 11 a.m. and 4 p.m. Saturday and Sunday at the Wayne County Sportsman's Club, 18102 Inkster Road, Huron Township.

Fees are \$2 for the class and \$2 for a test score, mailed to Lansing at the time of testing.

Sherman Lambly of 23145 Merriman Road, Huron Township, will be conducting classes.

Information on the program and on registration can be obtained by calling Lambly at 782-2895.

To aid aged

FNS collects new funding

Family and Neighborhood Services, located at 37064 Goddard Road, Romulus, has received a grant from the Detroit-Wayne County Area Council on Aging.

The purpose of the grant is to provide services to residents, age 60 and over in Romulus, Huron Township, Sumpter Township, Van Buren Township and Belleville.

The services will include in-depth personal and family counseling, crisis intervention, assistance in obtaining necessary health care and transportation, and help with problems such as housing and employment. Appropriate referrals will be made when necessary.

Lois Ellwart, a recent

graduate of the University of Michigan School of Public Health, who has also earned the specialist in aging certificate from the Institute of Gerontology and has had extensive experience working with older persons within the

community, has been employed as a senior citizen counselor.

Persons in need of the services can call Family and Neighborhood Services at 941-9590 for further information. There will be no charge for the service and

home visits will be arranged for those who would find it difficult to come to the office.

Because of the number of agencies in the area now able to offer services to older people, an effort is underway to coordinate

them. A Senior Citizen Program Council will be set up with representatives from all agencies within the area involved in the field of aging and representation also from local senior citizen consumers.

Youths help collect funds

Because of the world hunger situation, several youth groups from Belleville area churches will be out collecting for UNICEF (United Nations International Children's Emergency Fund) Halloween weekend.

They have designated from 2 to 6 p.m. Sunday as the time of the door-to-door

collection. They will be wearing a UNICEF label and using UNICEF canisters for the collection. Three out of four of all the world's children live in the shadow of hunger, malnutrition and disease.

UNICEF means help and hope for those children.

UNICEF hopes to receive \$100 million from Halloween "trick or treat", greeting card sales, and private and government contributions to aid

children and mothers. One dollar — the price of a hamburger and french fries — will provide a year's supply of multi-vitamins for a child in a crisis country, a UNICEF organizer said.

CONDUCT REVIVAL — Dennis and Barbara Howard, nationally known evangelists for the Churches of God of Prophecy will be conducting a revival beginning at 7:30 tonight at the Church of God of Prophecy, located at 7201 Kempa St., Romulus. The revival will last through Nov. 9. Howard has served three years as youth secretary and camp director for the Churches of God of Prophecy in Utah. Together they have pastored in Utah and New Mexico and formerly served as state auxiliary coordinators for churches in New Mexico. The nightly services will begin at 7:30 p.m.

2 grads receive degrees

Belleville resident Jean B. Wood of Sully Drive graduated with high honors from Michigan State University following the completion of the summer semester.

Miss Wood received a bachelor of arts degree in communication.

A Romulus resident also received her sheep skin this summer, but from Western Michigan University, located in Kalamazoo.

Kathleen M. Hay of Aston was awarded her degree at the close of the summer term of study.

Candidates release funding

It appears as though one of the major requirements to run for the top executive post in Romulus is a heavy influx of campaign funds.

Mayoral candidates in the August primary election spent thousands of dollars in their behalf to win election.

Clayton W. Meldrum, the unsuccessful candidate for mayor in the primary, spent the least on an average basis when he put \$1,854.06 into the effort while working with four council candidates — Kenneth R. Howington, Joseph R. Kochanoski, Jeffery C. Dahlstrom and Charlie Harris.

Councilman James C. Stewart, who decided to leave his council post for a shot at the mayor's seat, spent \$5,746.57 on his effort in cooperation with council candidates Oliver Warren and Robert Abbey.

The incumbent Mayor Terry L. Troutt spent \$11,436.96 in an effort with six other candidates — Mayor Pro Tem Beverly McAnally, Treasurer John B. Lewkowicz, Council President Pro Tem Joan A. Lee, Councilmen Lngg Coleman and Jack Trumble and newcomer Jon Madish.

Of the three slates which pooled their finances in the election, the one headed by Stewart spent the most on a per person basis — \$1,915.52 per person.

Troutt's "Troutt Team Ticket" spent the second highest amount on a per candidate basis — \$1,633.85 per candidate.

Meldrum's team spent \$618.02 on a per person basis.

The tallies do not include debts.

North students to sell candles

Students in the Van Buren School District's North Junior High School Marching Band are beginning to take orders for candles which they will sell to finance the purchase of new equipment.

Band members will be circulating throughout the community with brochures detailing the various designs of candles, ranging in price from \$2 to \$2.50.

According to Dave DeClark, band director at the school, the goal is to raise upwards of \$1,500 to finance the purchase of uniforms and equipment.

"Delivery will be within two weeks of taking the orders," DeClark said. "They will get to homes in plenty of time for Christmas."

Band members will offer a choice of eight designs of scented bayberry wax and wrought iron candle holders to residents.

Church moves

The former Belleville Assembly of God has moved to a new location on Savage Road in Van Buren Township.

The Assembly, now known as the First Assembly of God, Belleville, will be moved to a location at 870 Savage Road.

The ribbon cutting ceremonies for the assembly building were recently at the church site.

The formal dedication will be Jan. 25 as part of Pastor D.E. Pace's 6-year anniversary celebration.

Invited to the ribbon ceremony were Van Buren Supervisor G. Elton Gollwitzer, Van Buren Township Clerk, Patricia Cullen, State Rep. Gary Owen (D-22nd District) and State Sen. William Faust (D-13th District).

County tries to minimize employment woes

The Wayne County Board of Commissioners will try to reduce the hassle faced by thousands of job seekers who would like to work for one of the major public employers in the Detroit metropolitan area.

At its meeting last week

the board approved the use of \$3,000 in unexpended federal funds to study the possibility of establishing a Cooperative Testing Program for Wayne County, the City of Detroit, and state and federal agencies in the area.

"Most people looking for a government job want to be eligible for as many job opportunities as possible," said Richard G. Behler, Personnel Director for the Wayne County Civil Service Commission. "And, in the Detroit area, we've got

four major government employers, each with their own testing system and regulations."

"So if you are a typist, and you're looking for a government job, you might end up taking four separate typing exams."

Behler sees this as a waste of time on the part of

the job hunter and a duplication of efforts by government personnel departments.

"Not only that, but we've got a cost factor here, which could be reduced greatly through intergovernmental co-operation," he added. Behler pointed out that

the reciprocal testing program would not be applicable for all job classifications.

The preliminary study will look only into a cooperative testing program for common, entry-level positions in the federal, state, city and Wayne County govern-

ments, he said. Some of the job areas to be explored by the study committee include: clerical, food service, custodial, carpentry and electrical positions.

Behler said the committee's first task will be to define and solve any legal complications associated

with common testing. "Until 1974, local governments were exempt from the Federal Equal Employment Opportunity Commission guidelines," he added. "But, now we're all in the same boat. We must meet certain test standards."

The Mayor Troutt Pledge:

"I will veto any proposal for a Romulus Tax Increase!"

To my fellow citizens,

During my administration, Romulus has grown in jobs and in city services while we have kept free of big city problems. The Troutt Team will keep improving Romulus recreation, better roads, all city services, and in establishing a new, modern shopping center in our own community.

And we will fight vigorously any effort to raise taxes even one cent!

We're proud of our record of service to the people of Romulus. After two years we've got Romulus moving again. We pledge to continue to work to keep this a clean, peaceful, prosperous community.

Goal-line stand saves Eagles

Romulus edges Willow Run, 14-6

By TOM MOORADIAN
Sports Editor

Willow Run made Romulus sweat for its Homecoming victory Saturday.

The Flyers spotted Coach Tom Baldwin's Eagles 14 points in the first half, then scored a touchdown early in the fourth quarter and came within one-yard of

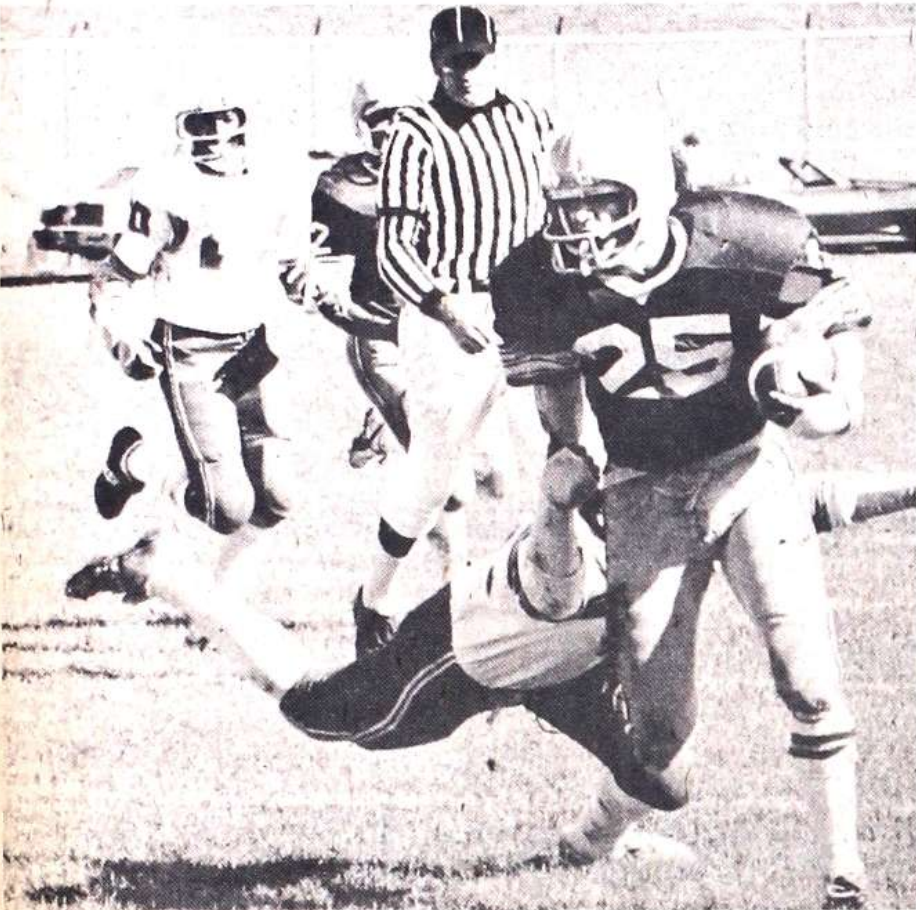

their second touchdown as time ran out.

"The game shouldn't have been as close as it was," said Baldwin whose team prepares to head for Inkster for its next test. "I felt when our third TD was nullified, we sort of lost the momentum and Willow Run wouldn't give up."

Romulus got on the board

midway in the first quarter when Jim Parker climaxed a 14-play, 66-yard drive with a 6-yard touchdown run. Bob Blundell then kicked his first of two extra points.

The drive featured a couple of key plays which included Kevin Flannery's a-yard off tackle sprint which gave the Eagles a

BIG PLAY — Though an unidentified Willow Run griddar manages to stop Romulus ballcarrier Kevin Flannery (25) on this play, the rugged tailback picked up a key first down which led to the Eagles' first touchdown. Flannery wound up with 114-yard rushing in 25-carriers in a 14-6 triumph over their Homecoming opponents. Romulus will wrap up the season Friday afternoon at Inkster High.

Belleville, Salem meet in conference finale

Belleville and Plymouth Salem have identical football records both in the Suburban 8 Conference and out of it.

The two rivals have defeated the same league rivals - Redford Union, Allen Park and Livonia Bentley - and have lost to Trenton, Dearborn and Edsel Ford.

So, when Coach Pat Stokes' Tigers host the dethroned conference champs Friday night in the league finale fans can expect a close game.

That's the word from Belleville's first year head coach.

"We feel that we can play against them," said Stokes after a disastrous trip to Edsel Ford last week that left the Tigers licking the wounds of a 40-14 loss. "I feel our game with Salem is going to be a good one, an interesting one to say the least."

A Belleville victory would give it a 4-3 league record and a possible tie for third-place in the final

league standings. And it's been a long time that the Tigers have finished in the upper bracket in the league.

Belleville learned the hard way that you don't go around spotting an Edsel Ford football team - or any team - 20 points in the first quarter and hope to pull it out.

Three quick touchdowns by Todd Bierman, Eric Flowers and Steve Betz gave the T-Birds an insurmountable 20-0 edge after 12 minutes.

Belleville cut the lead to 20-7 when quarterback Dan Scripser engineered a 66-yard drive that ended with Kevin Barnes' 5-yard touchdown run.

Dan Theodore kicked the first of two point after.

However, Edsel came right back and scored with a 10-yard run by Betz who polished off a sustained drive of 80-yards.

Belleville countered with a long drive that left them shy 18-yards of the Edsel Ford goal line, but what

Sports

big first down on the Willow Run 20-yard line. Romulus had a Homecoming crowd cheering again early in the second quarter when

Strobel sets diving record

Sweeping 10 of the 11 first places, Edsel Ford crushed Belleville 110-61 in a Suburban 8 Conference girls' swimming meet last week.

Belleville's Dru Stroble managed to pick up the first on the diving boards as she compiled a total of 173.1 points for her efforts. That total gave Miss Stroble the Tigers' record.

Belleville won't find the going any easier tomorrow when it meets Plymouth Salem, another conference power.

Parker picked off a Willow Run aerial at the Flyer 31-yard line and returned it to the 14 before he was stopped.

Two plays later Tony Hensley bolted into the Willow Run end zone for the Eagles' second TD and Blundell made good on the kick.

After an exchange of punts, Romulus again scored but the TD was nullified. Kevin Flannery's 56-yard TD jaunt was called back when the officials called a clip against one of his teammates.

Willow Run's comeback started early in the fourth quarter when Perry Sweeney scored on a 4-yard run. The Flyers failed in their bid for the 2-point conversion but were back in the game 14-6.

Willow Run kicked off and Romulus took over on its 34-yard line and quarterback Michael Morrison managed to get his team to the 47 where it gave up the ball via a punt.

Willow Run took over on its own 20-yard line and marched 79-yards to the Eagles' 1-yard line before time ran out.

The Romulus defense, led by Ed Abbott, tackle Tom McKenna and linebacker Dave Johnson managed to hold the Flyers inside the 5-yard line three plays.

"Our defense was superb," said Baldwin. "It's that kind of defense that wins ball games and that you're proud of."

Flannery was the leading rusher for the Eagles as he amassed 114 in 25 carries. Morrison went to the air eight times and hit on three passes for 13 yards while fullback Steve Hutchinson got the job done blocking.

McKenna's six solo and eight assists aparked the defense and Baldwin pointed out, "that I felt this was Tom's best game of the season."

Romulus also edged Willow Run 10-9 in the duel for first downs, outtrused their visitors 202 to 167.

Inkster, whose only win is a victory over Willow Run, is not to be taken lightly, warns Baldwin.

"Inkster has the ability to come up with the big play and we're going to have to shut them off if we're going to win," Baldwin said.

Inkster is host for the 3:30 p.m. Friday game which brings the season to an end for both teams.

Belleville routed by Plymouth

Belleville's gals continue to play their first half cage blues.

Falling behind 48-11 against an undefeated Plymouth Salem quintet, Coach Mike Ahrens' Tigers lost a 76-44 Suburban 8 Conference decision.

"Their full court press hurt us," said Ahrens whose team will meet Redford Union tomorrow.

"However, we came back and outscored them in the second half and I felt it was the best half we played this season."

Belleville's Kathy Berbee again paced the losers as she sank 13 points. Teammate Fitima Carter chipped in 12 while Estelle Grantham and Mickey Klonaris counted eight and five points, respectively.

SECOND BEST AT REGIONAL - New Boston Huron runners who finished with a perfect dual meet record of 9-0 qualified for the state Class B state finals by winding up second at the regionals they hosted on Saturday. Coach Mike Matthews' team will travel to Charlotte Saturday to compete in the state finals. Members of the team are:

(kneeling from left) Robin Baschar, Diane Balowski, Kerry Fakhoury, Bob Tillston, Mark Passine, Tami Koch and Jay Rickett; second row are Coach Larry Kaiser, Tim Schuman, Terry Suenmick, Dave Bennett, Keith Frazier, Marty Prater, Gene Reitz, Dan Bilbrey and Coach Matthews.

Huron 2nd at regional

New Boston Huron proved it's one of the better Class B cross country teams around.

Coach Michael Matthews' Chiefs who completed the dual meet phase of the season with a perfect 8-0 record, finished second to Airport in the Class B regional meet and qualified for the state finals.

"I felt our team did an excellent job," said Matthews. "This is the closest we have ever been to Airport at an invitational and the first time we have qualified for state competition as a team."

Airport had a mere five-point spread between its title and the hard-pressing Huron contingent which garnered 66 points. Dearborn Divine Child finished third with 113 points in the 20-team field.

Airport runners also nailed down the 1-2 posts

as Bob Malone won the regional title with a 15:39 run. Teammate Bob Shown was runnerup (16:00).

Huron's first man, Tim Schuman hit the wire fourth, running the 3-mile course in 16:09. Teammate Gene Rietz was eighth in 16:13, and he was followed across the finish line by mate Dan Bilbrey who was clocked in 16:33.

Huron also finished 20th with Bob Tillston (16:59), 25th with Dave Bennett (17:04), 33rd, with Mark Passini (17:18) and 67th with Kerry Fakhoury (18:13).

In the Class A phase of the regional held in New

Boston, Adrian emerged as the winner with 76 points. The two Ann Arbor High

schools, Huron and Pioneer were tied for second, each with 95 points.

MUSICAL NOTES

by Doug Brown

At the very opening of the seventeenth century a great change occurred in music, known to us today as "The Monodic Revolution." Today, it may be hard to understand how a revolution would be necessary in order to establish what we take for granted: a simple tune with a chord accompaniment. But it did almost take a revolution for the established musicians and composers to realize that a new music existed, and once they did, old conventions were overthrown.

The newest and most modern inventions of the musical field await you at DOUG BROWN MUSIC, 9219 S. Wayne Rd., Romulus. Band instruments of all kinds include drums, guitars, piano and organs are all available at DOUG BROWN'S. Open daily from 10 a.m. to 8:30 p.m. and Sat. from 9:30 a.m. to 6 p.m. Master Charge and Bank Americard honored. Phone 941-8484.

A quiet record at naptime may be just the thing to soothe a fretful child.

South CC tops North

Belleville South took two of three decisions from North in their annual cross country showdown.

South won the eighth grade competition 17-43 and also the ninth grade run 23-32, but was edged 27-28 by the North seventh graders.

Jeff Locke provided North with a first place

finish minutes in the duel of ninth graders. He was clocked with a 11 minutes flat performance, however, the next North runner was Darrell Thompson who hit the wire in fourth place (11:26), followed by Poole (8th- 12:08), Cicotte (9th- 12:09) and Priest (10th- 12:11).

South's Bob Oakley and

Craig Shoup hit the wire second and third with times of 11:08 and 11:25, respectively, while Gary Roach (11:30), Brian DeRousse (11:31) and Al Hardy (11:59) accounted for fifth, sixth and seventh places.

South dominated the eighth grade run as it claimed the first four

places with Ray Byrnes (11:48), Larry DeRousse (11:59), Jerry MacDermid (12:36) and John Enzenauer (12:40), respectively.

South's Bob Pienik ran seventh with a 13:12.

North's best man was Bailey who finished in 12:41, good enough for fifth place. Teammate Vaughn was sixth (13:11) while Buhro (13:66) and Bassett (13:30) were eighth and ninth respectively and Buckle was 15th (15:16).

Despite South's 1-2 finish with Alex Hammond and David Shelton, it was North as the winner when the final points were tabulated in the seventh grade run. Hammond was clocked in 13:01 and Shelton ran a 13:11.

South also had a sixth place finish with Phil Smelt (13:28). Mike Wilson (13:53) and Mike Salutz (13:54) rounded out the South scoring, finishing ninth and 10th.

North's balanced scoring included third, fourth and fifth places by Renfro (13:22), Woods (13:24) and Grantham (13:26) while Messer and Abraham ended up in seventh and eighth places with 13:39 and 13:42 performances.

Romulus runs past Schafer

Spotting Southgate Schafer a first place, Romulus runners mustered enough combined strength to edge the Tri-River Conference representative 27-30.

The victory provided Coach Al Wilkerson's Eagles with an impressive 6-2 record on the season.

Romulus's Wendall Buckley trailed Schafer's Keith Zeillo to the wire. The wire posted a 16:37 for his first place while Buckley turned in a 17:20.0.

Romulus also placed fourth with Bob Lemon who toured the 3-miles in 17:28, then the Eagles nailed down sixth, seventh, eighth and ninth with Joe Schieda (17:54), Denardo Green (17:55), Steve Zimmerman (17:56) and Jeff Warren (17:57).

Gene Tieppo also finished 12th for the Eagles, registering an 18:42.

Introducing The Whatchamacallit Loan

The Whatchamacallit happens not to exist. Yet. But if it did, we at Triple-A would be happy to lend you the money to buy it.

In the meantime, we'll lend you the money to buy any of the things it represents—a new or used car, motor home, camper, boat, snowmobile or all-terrain-vehicle.

And, we'll give you a better interest rate than most banks or dealers. We urge you to do some comparison pricing if you don't believe it.

Call Triple-A about a Whatchamacallit loan (a Triple-A MemberLoan as we call it). Especially in these times when a quick, low-cost loan seems as hard to find as a Whatchamacallit.

DUEL FOR THE BALL - Romulus' Jim Parker (48) and a Willow Run griddler duel for possession of a pass which the Romulus defender was able to snatch and turn into an interception that led to the Eagles' first touchdown. Romulus held off a stubborn Willow Run team to post a 14-6 Homecoming victory last Saturday.

Cougars shoot down Flyers

The "Jock Trophy" will remain in the hands of the Belleville Cougars.

The Cougars sandwiched a 7-0 Freshman victory and a 31-19 Varsity win between a 6-0 Junior Varsity loss to the Romulus Flyers to retain the award.

The trophy is presented to the team that wins two of the three games in the series. The games also brought the curtains down on the 1975 Western Suburban Junior Football season.

A Romulus punt blocked by Belleville's Jerry Umin set up Belleville's only score in the Freshman game. The Cougars took over the Flyers 30-yard line and, on the first play from scrimmage, quarterback Sam Villa pitched out to Joe Johnson who went the distance for the winning touchdown.

Frank McDaniel scored the extra point.

Romulus evened up the series with a 6-0 shutout in the Junior Varsity game.

That left it up to the Varsity to decide which

team would own the "Jock Trophy" this season. Belleville struck first with quarterback Tim Ralls using Mark Daroci as his ramming rod at the 15. Daroci got the blocking that broke his loose for the go-ahead TD and Ralls teamed up with Rod Meister for the point after, making it 7-0.

The Cougars widened the gap to 13-0 when Daroci found his way into the Flyer endzone again, this time from 20-yards out.

Daroci and Rod Meister teamed up on a pitch out that cut into 40-yards of Flyer territory which set up a second quarter touchdown. At the 3-yard line, Ralls handed off to John Verrot who lunged into the endzone.

Romulus replied with a superb 50-yard touchdown run by Carlos Montes to make it a 19-6 ball game. Richard Scott scored the extra points.

Daroci then caught the Flyers sleeping and carried back the ensuing kickoff 75-yards for a touchdown, putting the game out of reach 25-7.

Parker's 40-yard touchdown jaunt tilted the scoreboard 25-13 but Daroci's final TD of the game, a 15-yard run gave the Cougars a 31-12 edge.

Parker's 15-yard pass to Richard Scott accounted for the final Romulus's final TD of the game.

BHS, Salem to meet

(Continued from Page A-12) backs with 20-seconds left in the initial half.

The two teams exchanged touchdowns in the third quarter. Scripter culminated a 64-yard drive with a 2-yard TD plunge.

"We moved the ball against them," Stokes said. "We just couldn't make up for our early mistakes."

Barnes led Belleville's ballcarriers with 68-yards in nine carries and he also nabbed a 31-yard pass from Scripter.

Edsel had the edge in first downs 12-10, but Belleville's 145 rushing compiled 145 yards on the ground to the T-Birds' 85. However, Edsel picked up 241 yards in the air thanks to Betz' 13 of 15 passing performance.

AUTO FACTS

by Jr. Kosin

The timing in your engine is checked with a timing light. When properly connected to the engine, a timing light will flash brightly each time the spark plug in the no. 1 cylinder fires. Because of the light's stroboscopic effect, the rotating timing mark seems stationary. It can therefore show how many degrees from the top center, the spark plug fires. What is "top dead center"? As the engine runs, each piston goes through a compression stroke that starts at the bottom of the cylinder and ends near its top — the top is the TDC.

Get quality spark plugs and other engine parts from KOSIN'S AUTO PARTS, 26831 Michigan. We specialize in parts for all cars — foreign and domestic. Visit KOSIN'S for mufflers, batteries, fan belts, or anything you need to keep your car running at its best. We also have a complete machine shop service where our expert mechanics turn brake drums, do valve work, and rebuild engines. Our friendly, expert staff, gives fast counter service on all parts. Call us at 563-3894, or stop in any day until 8 P.M., Saturdays until 5 P.M. Bank Americard and Master Charge are accepted.

AUTO FACT:
A good quality timing light is a pistol-shaped device that draws its light from the battery.

Romulus winner

Romulus runners wrapped up the dual meet phase of the season with a 20-43 victory over Willow Run.

Coach Al Wilkerson's runners finished the year with a 7-2 record, the best in recent history.

Willow Run's Tom Law hit the tape first with a 17:30 and he was followed by six Romulus runners — Wendell Buckley, Steve Zimmerman, Bob Lemon, Denardo Green, Jeff Warren and Joe Schieda who had the identical time of 17:42.

The trouble with buying a new set of wheels is you have to pay for the whole car.

And that can get expensive. You might need a little help. In that case, see HFC about a Shoppers Loan to help pay for that new car you've been eyeing. Or, for that matter, for any other shopping purchase you need. With a Shoppers Loan from HFC, you may borrow up to \$1500. And that can save you a lot of trouble.

Van Buren plans snowmobile safety class

The Van Buren Township Recreation Department will be holding a snowmobile operator's course starting Nov. 10 at the township hall.

Recreation Director Jeff Clark, a certified volunteer snowmobile safety instructor for the Michigan State Department of

Natural Resources (DNR), will offer 12 hours of instruction on safety, mechanics, and laws for snowmobile riders during the period of Nov. 10-15.

The township will charge no fees for the instruction. The course is compulsory for youths aged 12-

16 who wish to operate a snowmobile without parental supervision.

Students who successfully pass the course, by passing a test prepared by the DNR, will be certified as operators.

In addition, adults who want to know more about

the safe operation of snowmobiles are invited to attend.

Clark also encourages the parents of youths who are required to attend the course to study along with their children.

Classes will run from 7 to 9:30 p.m. Nov. 10, 12, 13 and

14 and from 10 a.m. to 12 p.m. Nov. 15.

Topics to be covered include the need for training, the mechanics of snowmobiles, safe riding principals, safe winter dress for snowmobile riding and environmental concerns of the

snowmobilers.

Speakers will be brought in to discuss the law as it applies to snowmobiles and the operation of a

snowmobile.

Information on the program can be obtained by calling Clark at the Van Buren Township Hall. The

number is 699-2001.

The township hall is located on Tyler Road west of Belleville Road in Van Buren Township.

Three scouts earn rank at Eagle Court

An Eagle Court of Honor, under the direction of Scoutmaster Craig Schaub, was held at the Romulus

City Hall recently for Boy Scouts Michael Hall, Dennis Bergmooser and Kenneth Ark.

Representatives from other area Boy Scout troops were on hand for the ceremony and joined in the well wishing. Refreshments served by the troop's Explorer Scouts followed the rite.

The sons of Mr. and Mrs. Jay Hall, Mr. and Mrs. Richard Bergmooser and Mr. and Mrs. Ronald Ark respectively, the two youths were presented with the Eagle awards by Romulus Mayor Terry Troutt.

Max Nelson, district advancement chairman, also joined in the presentation.

Tom Richardson, district scout executive, was on hand to congratulate the three youths on behalf of the Boy Scouts of America, while a representative of State Sen. William Faust presented each boy with a special tribute.

State Rep. Edward Mahalak added his congratulations with a special tribute and a gift of the state and American flags.

Congratulations also came from President Gerald Ford, Sen. Robert Griffin, Congressman William D. Ford and Gov. William Milliken.

Why Bob Mach Endorses Mayor Terry L. Troutt

Dear Romulus Voters:

In all honesty to my friends and Romulus citizens, I am urging everyone to re-elect Mayor Troutt on Nov. 4, even though Mayor Troutt and I have been members of different political parties. Here's why:

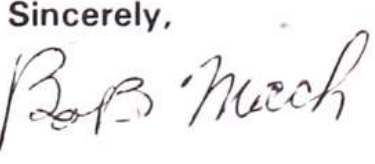

When the future of Romulus is at stake, we must not think in terms of factions or party lines, but rather in terms of the best man for our city.

As a member of an old pioneer family in Romulus, going back nearly three generations, I have not been in the habit of making public endorsements. But this election is so important to the future of Romulus that I believe it's necessary to express my feelings about the two candidates running for mayor, because I know the track records of both candidates.

Of the two candidates, Mayor Troutt is the best qualified, trustworthy, and loves Romulus best. Each time he has served the people in public office, Romulus and the people have gained. I recall how hard Terry Troutt fought to get Romulus water from Detroit and a sewer system when he was supervisor for 8 years. Romulus, also, had not made a single bit of progress until he became mayor two years ago.

If anyone can get Romulus a shopping center and continue progress in Romulus, it's Terry Troutt who has been willing to make personal sacrifices on behalf of the people. I have always known Terry Troutt to be a man of his word.

For the good of the city of Romulus, I am urging all my friends and all Romulus citizens to return Mayor Troutt on Nov. 4. Also, being very active in Veterans affairs, I would like to urge all Veterans to vote for Mayor Troutt who has also served his country well.

Sincerely,

Bob Mach

Post office alters mail service

The U.S. Postal Service first-class service improvement program has gone into effect at the Belleville Post Office, according to Postmaster Raymond O'Neil.

Under the program, first-class mail will receive service that is equal to or better than airmail.

The major new service step extends to all first-class mail, weighing 13 ounces or less.

"In practical terms, what this service improvement means is that domestic first-class postage now will purchase the level of service that previously only airmail could buy," O'Neil said. "Under the new program, there no longer will be an advantage in purchasing airmail for domestic delivery."

Priority mail, now starting at weight in excess of 13 ounces, which includes air parcel service and international airmail

are unaffected by the improvement program and continue in their present

form, the postmaster said. "Airmail stamps will be sold for use on priority and

international airmail. They also can be used in various combinations with other

stamps for first-class mail," he said. Customers can exchange

airmail stamps and stamped envelopes and cards at full postage value.

SECTION IV. Chapter IV, Article 1, Section 19.02a is hereby repealed and the following is adopted in its place:

Section 19.02 FOOTNOTES TO SCHEDULE OF REGULATIONS.

a. In all residential and office district, the required front yard setback shall not be used for off-street parking, loading or unloading and shall remain as open space unoccupied and unobstructed from the ground upward except for landscaping, plat materials or vehicle access drives. No fence shall be constructed in the required front yard unless otherwise provided in this Ordinance. Industrial parcels five (5) acres or larger may erect a protective fence within the required front yard area. All yards abutting upon a public street shall be considered as front yards for setback purposes. In Industrial Districts, the Planning Commission may allow part of the front yard for parking if it would not be detrimental to the development of the area. However, there should remain at least fifteen (15) feet of green area between the front property line and the parking area.

SECTION V. Chapter IV, Article 1, Section 19.02 is amended by the addition of Section 19.02 (1) as follows:

1. When more than one industrial building is located on a single parcel

of land, there shall be a minimum distance between buildings of thirty (30') feet in an M-1 District and thirty-five (35') feet in an M-2 District.

SECTION VI. Effective Date.

6.00 This ordinance shall become effective immediately upon publication. I, Leonard J. Folmar, Clerk for the City of Romulus, do hereby certify that the foregoing ordinance was duly adopted by the Romulus City Council at its regular meeting held on the 14th day of October, 1975.

Leonard J. Folmar, Clerk
City of Romulus

ATTEST:

Terry L. Troutt, Mayor

Within forty five (45) days after the publication of any ordinance duly passed by the Council, a petition may be presented to the Council protesting against such ordinance continuing in effect. 75-762

10a. Motion by Lee, supported by Block, that Council adopt Resolution 75-762 (Opposition to rate increases granted by the Michigan Public Service Commission):

RESOLUTION 75-762

WHEREAS: The Michigan Public Service Commission has been besieged by continual requests by the public utilities - Detroit Edison, Michigan Consolidated Gas Company, and Michigan Bell - to grant seemingly never ending requests for rate increases; and WHEREAS: Without exception, those requests have been predicated on a single common necessity, that being the ever rising cost of fuel; and WHEREAS: The Michigan Public Service Commission, along with all the citizens of this great State, is compelled to recognize that, in fact, fuel costs are soaring at an uncontrollable rate. Subsequently, many requests by the public utility companies were founded and, subsequently granted; and WHEREAS: The granting of these rate hikes by the Michigan Public Service Commission combined with the ever soaring rate of fuel have combined to impose a crippling economic blow upon the citizens of the State of Michigan; and WHEREAS: Considerable research has taken place in dealing with wind and solar energy conversion.

NOW, THEREFORE BE IT RESOLVED: That the City Council of the City of Romulus does herewith implore the Congress of the State of Michigan to adopt legislation which would provide incentive for the production, development, and utilization of these less expensive sources of energy.

BE IT FURTHER RESOLVED: That said legislation provides incentives for the delivery of natural resources to utility users at minimum costs.

BE IT FINALLY RESOLVED: That copies of this Resolution be forwarded to the attention of Governor William Milliken, Senator William Faust, Representatives Edward Mahalak and Gary Owen, the Michigan Public Service Commission and the surrounding communities of Wayne County.

Roll call vote showing: Ayes - Block, Trumble, Stewart, Lee, Coleman, McNally. Nays - None. Motion carried unanimously.

75-763

11a. Motion by Coleman, supported by Trumble, that Warrant 178 (Vouchers 16358 through 16522 inclusive) in the Grand Total amount of \$169,699.43 be approved. Roll call vote showing: Ayes - Trumble, Block, Lee, Coleman, McNally. Nays - Stewart. Motion carried.

75-764

11b. Motion by Block, supported by Coleman, that Urban Renewal Warrant 174 (Vouchers 3069 through 3078 inclusive) in the Grand Total amount of \$925.23 be approved. Roll call vote showing: Ayes - Stewart, Lee, Coleman, Block, Trumble, McNally. Nays - None. Motion carried unanimously.

75-765

11c. Motion by Coleman, supported by Trumble, that Rehabilitation and Escrow Account Warrant No. 17 in the Grand total amount of \$4,507.10 be approved. Roll call vote showing: Ayes - Stewart, Trumble, Block, Coleman, Lee, McNally. Nays - None. Motion carried unanimously.

12. Motion by Lee, supported by Coleman, that the meeting be adjourned. Roll call vote showing: Ayes - Trumble, Stewart, Lee, Coleman, Block, McNally. Nays - None. Motion carried unanimously.

Respectfully submitted,
Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk for the City of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting of the Romulus City Council held on the 14th day of October, 1975.

Jaycees offer tips for safe trick-or-treating

The Romulus Jaycees youngsters who will be again have released a list making the annual of tips for parents with collection of sweets on

Halloween Friday night. According to a Jaycee spokesman, the suggestions are designed to make Halloween 1975 a happy and safe outing for youngsters.

The hints to parents include:
—Have an adult go with each group of children, especially the very young. Give the oldest child a flashlight.

—Stay in familiar territory, preferably your own neighborhood.
—Look both ways before crossing the street.
—Dress so that masks or costumes will not hinder

greatly vision or movements. Widen the eye holes with scissors if necessary.

—Dress in bright clothing and stick reflective tape on their costumes or trick-or-treat bags.

—Do not eat anything while you are on the street.

Wait until you get home. —Parents should promptly empty the contents of every Halloween bag and inspect each item.

—Cut open all apples and oranges, and throw away all unwrapped candy.

—Report any dangerous objects found in candy or fruit to the police.

For parents who will be driving, the Jaycees recommend that they watch for children that may dart out from between parked cars.

They also suggest that motorists tap their horns occasionally on dimly lit residential streets and be extremely cautious when backing out of driveways.

Stickers aid firemen

Emergency police and fire numbers will be but a sticker away for Belleville residents as members of its volunteer Fire Department begin distributing telephone stickers in the community.

The sticker program stems from a committee made up of Asst. Fire Chief Gerald Warsop and Fire Fighter Gary Koeppe which sought funds to finance that project from the city's service clubs.

Markers with emergency phone numbers, and window stickers to mark children's and invalids' rooms, are being distributed by the fire fighters.

A thank you for the assistance offered by the St. Anthony's Mens Club,

College to host program

Students from throughout the area are invited to participate in an "Outstanding Michigan Scholars" program being sponsored by Wayne State University.

The program is for metropolitan Detroit high school and community college students and provides full tuition scholarships of up to \$3,500 for candidates.

Scholarships will be offered to students who are graduating with either a high school diploma or associates degree in the fall of this year, and who have maintained at least an "A" average in school.

The allotments will be given to students who pursue a fulltime course of study and maintain at least a "B" average while studying at Wayne State University.

Information on the program can be obtained by writing the Wayne State University Office of Admissions in Detroit. The zip code is 48202.

Further information can be obtained by calling the university at 577-3577.

CITY OF BELLEVILLE

ELECTION NOTICE

TO THE QUALIFIED ELECTORS
OF THE CITY OF BELLEVILLE

Notice is hereby given that a Regular City Election will be held in the City of Belleville, County of Wayne, State of Michigan, on

TUESDAY, NOVEMBER 4, 1974

from 7:00 o'clock A.M. until 8:00 o'clock P.M., Eastern Standard Time, for the purpose of electing candidates for the following offices:

MAYOR COUNCIL

and to vote on the amendments to the Charter of the City of Belleville. The Charter sections, as changed, as the sections now read, and the form of the questions are as follows:

CHARTER AMENDMENT PROPOSITION NO. 1

To provide that the term of office for Councilman and the Mayor be four (4) years, with two (2) Councilmen being elected at each Regular City Election. Amended Section 2 of Chapter II will read as follows:

CHAPTER II

Section 2. Terms of Office: The Mayor and each Councilman shall hold office for a term of four (4) years. The person elected to the office of Mayor at the regular city election held in 1975 shall hold office for four years. Two Councilmen shall be elected at each regular election and shall hold office for four years; provided, however, that at the regular city election held in 1975 the two Council candidates receiving the highest number of votes at said election shall be elected to serve until their successors are elected and qualified following the regular City election to be held in 1979 and the two Council candidates receiving the next highest number of votes shall be elected to serve until their successors are elected and qualified following the regular City election to be held in 1977. This Section shall be effective November 18, 1975.

The section being amended or abrogated now reads as follows:

CHAPTER II

Section 2. The Mayor, each Councilman, the Treasurer and the Constable shall hold office for a term of two (2) years from the second Monday following the regular City election at which they are elected, except all officers elected at the first election under this charter shall hold office until the second Monday next following the regular City election in 1948. The term of office of the Justice of the Peace shall be four (4) years, except that the Justice of the Peace elected at the first election under this charter shall hold office until the second Monday following the regular City election in 1950.

The question on the ballot will read as follows:

CHARTER AMENDMENT PROPOSITION NO. 1

Shall the Charter of the City of Belleville be amended, effective November 18, 1975, to provide that the term of office for Councilmen and the Mayor be four (4) years, with two (2) Councilmen being elected at each regular City election?

CHARTER AMENDMENT PROPOSITION NO. 2

To provide that no elective officer of the City shall be a candidate for any other elective City office unless the term of the office starts at the time the office held expires. Amended Section 1 of Chapter II will read as follows:

CHAPTER II

Section 1. Elective Officers. The elective officers of the City shall be a Mayor and four (4) Councilmen, all of whom shall be elected at large and shall be electors of the City, and owners of property assessed for City Taxes, or the lawful husband or wife of such a person. No elective officer of the City shall be qualified to seek or be a candidate for any other elective City office unless he shall first resign from that elective City office which he is then holding, unless the term of the other elective office commences at the time the term of office then held expires. This Section shall be effective November 18, 1975.

The section being amended or abrogated now reads as follows:

CHAPTER II

Section 1. Elective Officers. The elective officers of the City shall be a Mayor and four (4) Councilmen, all of whom shall be elected at large and shall be electors of the City, and owners of property assessed for City Taxes, or the lawful husband or wife of such a person.

The question on the ballot will read as follows:

CHARTER AMENDMENT PROPOSITION NO. 2

Shall the Charter of the City of Belleville be amended, effective November 18, 1975, to provide that no elective officer of the City shall be a candidate for any other elective City office without first resigning from the office held, unless the term of office of the other elective office commences at the time the term of office then held expires?

The place of election will be in the regular voting booth in each precinct in the City of Belleville.

Optometry: Is there need for a school?

By BOB BERG
Panax Lansing Bureau

There are two ways to look at the surprisingly intense fight now going on here on whether Ferris State College should have a school of optometry.

If you are Ferris State President Robert Ewigleben, you see the school as fulfillment of pressing need for better eye care in Michigan, a carefully drawn up plan to give the state its first optometric school and guarantee a chance for Michigan students in the field and a supply of optometrists for the state.

If you are Gov. William G. Milliken you see the school as an example of school officials pushing on with their own desires despite repeated warnings you didn't like the idea and a study which showed the school isn't needed.

The result is a struggle whose outcome depends on whether the Legislature overrides Milliken's veto of money for the optometric school.

It is a struggle between two men who, when they feel they are right, will pull out all stops to get their way. And that is what has happened in the lobbying back and forth on what really is, in terms of the total state budget, a paltry amount of money — \$211,000.

Ewigleben is not your stereotyped college president who spends his time thinking great thoughts off in an ivory tower. He is a top notch administrator and innovator and runs his school on the firm belief a college has failed if it doesn't give a student a skill with which to earn a living.

While at Ferris he has developed the school's allied health school into the largest of its type in the United States, with more than 1,300 students enrolled in programs teaching them to be dental assistants, environmental health technicians, lab technicians and 14 other medically related professions.

The optometry school was envisioned as the newest addition to the school, providing training for the first time in Michigan in the field. Now Michigan students who want to go into the field must go to one of 12 other schools around the country.

Ferris started doing preliminary work to establish a school several years ago. In the 1974-75 budget, the Legislature put a sentence in the Ferris appropriation authorizing the school to establish a school of optometry, but gave no money to do it. The school immediately began doing that and this summer had everything ready to go, including staff and a class of 21 students.

Meanwhile, the governor had had his office of medical and health affairs do a study to see what Michigan's optometric needs were. The study concluded Michigan didn't need such a school. But optometrists challenged the finding, pointing out there were no optometrists on the 8-member panel doing the study, but that there were two doctors, one an ophthalmologist — a branch of medicine which in effect competes with optometrists for some types of work.

As Ferris continued to do the preliminary work, Milliken wrote a series of letters to Ewigleben re-iterating his opposition and warning the school to stop what it was doing.

When the budget was drawn up for this year, the Legislature stuck the \$211,000 into the Ferris allied health program budget along with \$1.1 million for the rest of the programs. The feeling was that Milliken, despite his objections, would sign the bill because he wouldn't want to veto the rest of the health programs.

But on Sept. 10, 1975, two days after classes had begun on the Ferris campus, Milliken vetoed the appropriation, saying it was "an example of how government costs continue to grow." He urged the Legislature to pass another bill funding the rest of the health programs.

Aides to the governor say he firmly believes the school isn't necessary, but that there was another element to the veto. He felt that after the repeated warnings he had issued Ferris should not have pushed on ahead and totally ignored him. The Legislature had figured he wouldn't dare veto the whole health care item, and he called their bluff.

Since then Ferris officials have come to town to fight for the override of the veto and even held a press conference, the first time in memory here that a college president so openly challenged a governor. Milliken has countered with his own lobbying, including releases of a lengthy document.

ROMULUS COMMUNITY SCHOOLS NOTICE OF PUBLIC HEARING

At a special meeting on Monday, November 3, 1975, the Romulus Board of Education will hold a public hearing on the proposed operating budget for the 1975-76 school year.

The proposed budget will be available for inspection at the offices of the Board of Education from 8 a.m. to 4:30 p.m. October 27, 28, 29, 30, 31, 1975.

GLORIA CHANDLER, Secretary
Romulus Board of Education

VAN BUREN TOWNSHIP BOARD MINUTES

SPECIAL MEETING MINUTES, OCTOBER 21, 1975

Supervisor Gollwitzer called the special meeting to order at 7:30 P.M. Members present were Supervisor Gollwitzer, Clerk Cullin, Treasurer York and Trustees Kureth, Domen, Maton & Kelly. Also present were Attorney Axe, Engineer Wilhelm and Sec'y Soja. The purpose of the SPECIAL MEETING was to act on a resolution for a bank loan for the purchase of a telesquirt for Fire Dept. No. 2 and accessories for Fire Dept. No. 1 telesquirt.

Attorney Axe read the Resolution. Trustee Kureth stated that the telesquirt at Dept. No. 2 is complete but the accessories have not been installed on Dept. No. 1 truck.

Motion Kureth, support Maton, to approve the Resolution as presented. Kelly motioned to amend the motion to read "to approve the Resolution but not turn over the contract until the Dept. No. 1 accessory installation is complete. Domen supported the amendment and it carried. The original motion as amended was CARRIED.

Motion Domen support Kureth, to adjourn. Meeting adjourned at 7:41 P.M.

Respectfully submitted,
PATRICIA CULLIN, Clerk
Van Buren Township

A CHANGE IS NEEDED IN ROMULUS GOVERNMENT

There has been much literature brought to your doorstep during the past 3 months, most of it defining HOW OUR TAX DOLLAR HAS BEEN SPENT OR THROWN AWAY BY THE PRESENT ADMINISTRATION AND "RUBBER STAMP" COUNCIL!

BEFORE YOU VOTE...REMEMBER THE "RUBBER STAMP" SYSTEM DID THIS:

- Allowed our millage to double in two years and our taxes get prohibitive with nothing to show for it except AUDIT REPORTS SHOWING THE GREAT DEPLETION OF SURPLUS FUNDS AND NEAR BANKRUPTCY ON THE OVER-ALL PICTURE.
- Engaged in the unethical practice of collecting tax money for specified purposes and then transfer it to cover up deficits in other accounts.
- Padded the city payroll employing cronies at your tax expense. (Some of these very same employees use working hours to do their politicking so they can retain their jobs.)
- Pushed blank-check bond issues at taxpayers expense and used tax money to pay for an unnecessary election.
- Voted "Yes" to the Mayor's whims at taxpayers expense instead of standing up for what is really the taxpayers benefit.
- Incurred overwhelming increases in Attorney fees, Planners fees, Engineering Costs, General Operating Cost, Millage, for which they have nothing to show for this tremendous increase spending of our tax dollar.
- The shelving of the first \$20 MILLION phase of a gigantic shopping complex, convention center, and theater in Romulus which could have resulted in our city having a \$100 MILLION DOLLAR installation. WHY???
- Issued a \$10,000.00 check (given by Terry Troutt) to one of the city attorneys without prior council approval or prior and justifiable statement for alleged services rendered from this attorney. (Again, your tax money)
- Overlooked Senior Citizens again as to their needs of transportation, etc.
- Created jobs to fulfill political commitments at taxpayers expense which as of yet haven't proven to be beneficial except to those hired.
- Let Airport problems get larger instead of finding workable solutions as the problems arise.
- Voted tax breaks for General Motors and then received jobs from G.M.

Children honor Violet Bird on 75th year

By Mrs. Joseph Spring
699-4021

Violet Bird of Sumpter Road celebrated her 75th birthday on Oct. 18 at a dinner at Hillside Inn in Plymouth given by her children and their mates, Ralph and Arlene Bird and Rosalie and James Southward of Belleville; Carolyn and James Wheatley of Wayne and Cyril and Virginia Bird of Romulus.

A surprise party at her home the week previous, with home made ice cream and cake, was attended by her children, 15 grandchildren, and two great-grandchildren. Eight ladies from her Sunday School class from the First Baptist Church in Wayne also joined them.

Mr. and Mrs. Lloyd Orr

of Harmony Lane recently attended a wedding reception for a niece and husband, Mr. and Mrs. Bernard Zoller, at Chesaning.

Mrs. Harold Klaiss of River Rouge and Mrs. Clayton Saunders of Liberty Street have returned from Weare, N.H. where they had spent the past two weeks with the former's daughter and the

latter's son, the Robert Saunders family. They also visited Mrs. Klaiss' sister and husband, Mr. and Mrs. Joseph Genetti and family at Bedford, Mass. While gone three family birthdays were celebrated.

Mr. and Mrs. Richard Ross of Lansing were recent guests of Mrs. D.W. Ross of Liberty Street and Mr. and Mrs. F.D. Ross of Quirk Road.

Recent guests at the home of Mrs. Henry Sager and brother, Marvin Meerse, of West Columbia Avenue were friends from Grand Rapids. The Rev. and Mrs. Jake Heerema, son Ron and daughter Lynne. Rev. Heerema is the pastor of the Christian Reform Church in Grand Rapids and has been a friend of Marvin since their Korean days when the pastor was in charge of the American Home, a service

club in Korea.

Dr. and Mrs. J.H. Tator were among the graduates of the University of Michigan Dental School who attended the recent reunion of the class of 1930 held at Weber's Inn.

Mrs. George Robson of Tyler Road and Mrs. James Sayre of Morton-Taylor Road attended the Women's District Farm

Bureau meeting held at Waldon Woods on Oct. 16. Speaker for the morning session was Jesse Taggart who gave a history of the Farm Bureau and spoke on marketing. The afternoon was devoted to arts and crafts.

On Oct. 19, Mr. and Mrs. George Haft of Church Street attended the 90th celebration services and dinner at Trinity Evangelical United Church of Christ at West Fort and Woodmere Streets in Detroit. Previous to coming to Belleville, George had been a member of the church.

Marvin Meerse of West Columbia Avenue recently returned home from Minneapolis, Minn. where he had gone to once again sponsor his Korean friend, Jae Soon Song, who recently returned from a visit with relatives in Korea and will be attending school in Minneapolis.

Mr. and Mrs. George Haft of Church Street attended a birthday celebration for a cousin, Eileen Donet at Ft. Wayne, Ind. on Friday, Oct. 17. Later they were overnight guests of an aunt and uncle, Mr. and Mrs. Thurman Powell in Antwerp, Ohio.

MR. AND MRS. LARRY D. WILLIAMS

Virgin Islands cruise planned by couple

Before moving into their new residence at 6007 S. Miami, Ypsilanti, Larry Donald Williams and his bride, the former Mary Ann Sallai, spent two weeks on a honeymoon cruise to the Virgin Islands.

The bride, the daughter of Mr. and Mrs. William Sallai of 206 Liberty Street, Belleville, chose for her wedding day an ivory chiffon creation fashioned with a cameo yoke, lantern sleeves and a high neckline on the little fitted bodice. Brussels lace, crystals and seed pearls were used for accents. The flounced hemline extended to chapel length as did her mantilla veil which also featured a Brussels lace border.

Completing her bridal finery was a cascade bouquet of eucharis lilies, pink sweetheart roses and greenery.

Martha Mary Chapel was chosen as the site for the Sept. 20 rite which was conducted at 10 a.m. by The Rev. Bob Kerry of Holy Trinity Chapel in Ypsilanti.

Tall vases of pink carnations, white mums and greenery formed the background for the double ring Catholic service witnessed by some 125 assembled guests.

The chapel's Aeolian electropneumatic organ comprised of over 1450 pipes was used as accompaniment for the solist, Ray Unrue of Boomfield Hills.

As her sister's honor attendant, Elaine Marie Sallai of Belleville donned a halter style dress of strawberry chiffon complimented by a high neck and flowing chiffon cape which drifted to floor length. Pale pink carnations and deep pink sweetheart roses, baby's breath and pink ribbon comprised her bouquet.

Repeating the look worn by the maid of honor were Pam Sallai of Belleville and Audrey Williams of Plymouth, sisters-in-law of the bride.

The bridegroom, the son of Mr. and Mrs. Donald Williams of 30712 Elmwood

Drive, Garden City, asked his brother, Rickie Ray Williams of Plymouth, to

be best man. Groomsmen were Robert Sallai of Belleville, the bride's brother, and Dennis Szemak of Romulus, her cousin.

The bridal pair rode in a horse-drawn carriage from the chapel to their car following the ceremony. At the Warren Valley Country Club reception, their mothers greeted the 125 relatives and friends amid a red and white decorative scheme.

For the occasion, Mrs. Sallai wore a mint green Qiana gown patterned with a draped neckline and long sleeves. The bridegroom's mother received in a fern green nestle knit styled with accessories in hunter green. Both were presented with green cymbidium orchids.

On Sept. 18 the bridegroom's parents played host at the rehearsal dinner at the Chicago Road House in Dearborn.

The new Mrs. Williams graduated from Belleville High School in 1966 and from Prospect Hall in Ft. Lauderdale, Fla. two years later. Her husband, a 1960 Wayne Memorial High School alumnus, graduated from Eastern Michigan University and now is in charge of business systems at Detroit Diesel Allison Division.

Shower held for Cheryl

By LEE SMITH
Suburban Living Editor

Relatives and friends from St. Clair Shores, Farmington, Mt. Clemens, Temperance, Grass Lake, Ypsilanti, Ann Arbor, Romulus and Belleville arrived at the Willis Road home of Mrs. Alfred Chudzinski Oct. 19 for a shower honoring her daughter, Cheryl.

The bride-elect's three attendants who shared the hostess duties were Mary Townsend of Saline; Patti Gorney of Lake Okeechobee, Fla. and Marilyn Konczyk of Belleville.

Card bingo was the afternoon entertainment followed by a buffet supper. Mrs. Robert Lytle of Grass Lake assisted with the food detail.

Door prizes went to Pauline Konczyk of Belleville and Mary Ann Hodge of Ann Arbor who had the plates with "Cheryl" and "Ron" inscribed. The 45 guests then watched the honoree open her many miscellaneous gifts.

Cheryl will become the bride of Ron Glenn of Belleville in a high noon ceremony Nov. 29 at St. Anthony's Catholic Church.

POLKA FANS ENJOY 'WALLY'

Several fans of Polish music got together Oct. 18 and drove to Detroit to see a favorite, "Little Wally" and his group, in person. Keeping time to the polka and oberek beats were Mr. and Mrs. Walter Dunayczan and Frances Korgal, all of Belleville; Mr. and Mrs. Edward Wenderski of Detroit and Mr. and Mrs. Felix Kotlarczyk of Tecumseh.

Quotes worth quoting

"A man is best judged not by his ignorance but by his knowledge, and there almost is no man living from whom there is not something to be learned — if we know how to get at it."

Belleville Library set for story hour

The Fred C. Fischer Public Library is now registering for its fall story hour series. Story hour is geared towards the pre-school child, age 3½ to 5, and includes participatory games and songs as well as stories.

This series will begin Nov. 4 and last through Dec. 16. Sessions will be held Tuesday mornings at 11 a.m. for approximately 45 minutes.

Parents are encouraged to register their children early as attendance is limited to 25.

She'll be 90 Nov. 2

One of Belleville's most senior citizens, Mrs. Elmer (Helen) Riggs, who is also known as "Nellie," will mark her 90th birthday at an open house from 2 to 4 p.m. Nov. 2. Her grandson and wife, Mr. and Mrs. David Riggs, will host the party at their home on South Street, Belleville. The former Helen Richardson was born Nov. 4, 1885 in Sumpter Township, the daughter of Albert and Martha Hulet Richardson. She attended Otisville School, graduated from Belleville High School and married Elmer Riggs in 1907. They lived on the Riggs farm at 13320 Haggerty Road for over 50 years before he died in 1968. Their children include Albert and Lloyd Riggs and Alice Herkimer of Belleville; Emerson of Farmington and Frances Genevieve who died in 1926 at the age of five. Thirteen grandchildren and nine great-grandchildren also make up the family picture. The honoree is the sister of Gertrude Mason and Albert Richardson, both of Belleville.

Romulus church chosen for fall ceremony

The newly wed Harry Michael Hunters spent a week-long honeymoon in Toronto and Niagara Falls, Ont. before moving into their new residence at 975

Sumpter Rd., Bld. 807, Belleville.

Patricia Ann Silvey became Mrs. Hunter in a 6:30 p.m. ceremony Oct. 4 at the Romulus Community

United Methodist Church. Some 150 guests were assembled for the double ring rite read by The Rev. Paul I. Greer.

Mrs. Ben Scott was organist for the candlelight service for which the bride selected a gown of silk crepe fashioned in toe-touching length with long sleeves and a high neckline both accented with lace trim. The double flounce which edged her skirt formed a chapel train as she walked.

Her lace-trimmed veil drifted over the train and an all-white bouquet of roses and baby's breath

completed her ensemble. Diane Strachan of Westland was chosen to be her sister's honor attendant while Larry Rush of Glendale, Arizona assumed the duties of best man.

The bridal coterie included Joy Szczepanski of Romulus; Kathy Drysdale of Riverview and another sister, Marg Silvey of Belleville.

Mrs. Strachan was in royal blue while the others were in identical dusty pink costumes. The floral print dresses were accessorized by white hats encircled with ribbon to match their frocks. Mums, carnations

and baby's breath were arranged in the same colors.

Others attending the bridegroom were Conrad Jager, Alan Webb and Randy Hunter, the bridegroom's brother, all of Romulus.

Mrs. Silvey was escorted to her seat wearing a crepe gown in medium pink with a companion jacket. White carnations accented the long-sleeved dress. For the occasion the bridegroom's mother chose a sleeveless blue evening gown with a matching waist length jacket. She, too, added white carnations to her ensemble.

Both young people are Romulus High School graduates. The bride completed one year at Eastern Michigan University and now is

employed at K-Mart in Lakewood Center. Her

husband is employed by the Ford Motor Company in Dearborn.

BPW completes busy Business Week plans

The Belleville Business and Professional Women's Club (BPW) kicked off National Business Women's Week with breakfast at Flag's in Belleville Sunday morning, Oct. 19. The club president Barbara Mitchell; the "Woman of the Year" Ruth Davis; Bea Boldt, Helen White, Eva Luper, Alice Atwell, Mable Hall, Stella

Adams, Dorothy Westergard, Betty Savage (who is District XV Director) and Esther Smith attended.

Following the meal the group attended services at Faith United Methodist Church of Denton. Being laity Sunday the guest speaker was Eduardo Cartes who told of his missionary work in South Africa. He, his wife and family are from Chile and recently became citizens of the United States.

Other recent activities of the BPW included co-hosting the District XV meeting with the Allen Park club at the Presidential Inn of Southgate. Nineteen members and two guests attended and heard Audrey Perry, chairman for legislation, speak on "Legislation on the State Level." Mary Esther Daddio, BPW state first vice-president, gave the welcoming address.

Centerpieces for the day were made by a Belleville member Bonnie Pavlat and were thistles and seeds from weeds and wild

flowers which were painted red, white and blue in keeping with the Bicentennial year.

The Belleville club has been very active attending state and district meetings with Barbara Mitchell and Betty Savage at the state meet in Boyne Mountain and Georgia Badgett and Bonnie Pavlat joining them for another state meeting in Flint.

What's a nice
skier like you
doing at a
place like
Timberlee...

I like to ski and that's what I do at Timberlee.

Their slopes offer a variety of challenges or just relaxing skiing. Chair lifts, poma-lift and a rope tow for beginners will get you to the top. There's a pro shop for rental and repairs. For apres-ski, I stay at Sun Perch overlooking the slopes. There's a choice of two bedroom apartments or studios with complete kitchens, linens and modern designer furnishings. Regular motel accommodations are available too. At the Hill House, it's dinner and lunch at the Gold Brick Saloon or the Farmer's Daughter Cafeteria. You don't have to worry about fancy duds and a pre-planned carnival atmosphere. We make our own fun at Timberlee.

I'm a meat and potatoes man and I like my skiing the same way.

"BORED"

Are you ready for something different?

Interlochen is a co-ed, independent high school that's more like college for grades 9 through 12. It's a place where fads and social pressures are replaced with the excitement of creating. A place where everybody who can create is "IN!"

A learning style

Courses of study are unique and tailored to your interest and ability. Art, music, writing, dance and drama are interlaced with academic subjects. We have a seven-to-one student-teacher ratio. Renowned visiting guest artists and specialists combine with student concert tours and exhibitions to make your life an adventure in learning.

A setting as unique

1400 green acres between two blue lakes in northern Michigan, only a few minutes from vacationland - Traverse City. Interlochen is a recreational reality: sailing, skiing, swimming, fishing and a multitude of settings smog-free and clean.

A new way of life

The people who have visited our campus feel we have a secret. The way of life is very special. It is special at Interlochen. At the very least, you will have a new lifetime perspective of the arts. You will develop your creative talent and quite possibly we'll give you a start in a profession in the arts.

Karla Hall is October bride of Ed Zumbro

In an early autumn ceremony at Faith United Methodist Church of Denton, Karla Ann Hall became the bride of Michael Edward Zumbro. The couple exchanged double ring vows Oct. 11 before The Rev. Norman Beckwith and some 300 assembled guests.

For the 6 p.m. rite, the altar was appointed with white mums. "Color My World" was among the selections played by the organist.

Parents of the newlyweds, who are now making their home at 46151 Village Green Dr., Apt. 304-B, Belleville, are Mr. and Mrs. Elwood Hall of 6440 Denton Road, Belleville, and Mrs. Shirley Zumbro of 40820 Ross Place, Belleville.

Holding a bouquet of white carnations, daisies and baby's breath, the

bride appeared in a satin gown designed with a high lace neckline and chiffon sleeves accented with lace and pearls. The lace motif was repeated on the veil which cascaded to toe-touching length.

Identically styled dresses were worn by the bride's six attendants. Her sister, Kathy Hall of Belleville, wore a sleeveless wine-colored gown with a matching hooded cape trimmed in fur.

Jody Hamilton of Flint, a cousin; Stephanie Hernandez of Flint, an aunt; Janet Zumbro of Belleville, the bridegroom's sister, and Pam Schulz and Holly Kenyon, both of Belleville, were in rust, blue, red, cocoa and green ensembles. Their bouquets of carnations and daisies were in colors to match the dresses with brown leaves

and ribbon for contrast.

The bridegroom's niece, Deena Zumbro, daughter of the William Zumbros, was in a miniature version of the honor attendant's frock for her role as flowergirl. The basket she carried was filled with carnations, daisies and brown leaves. Eric Hernandez, son of the Manuel Hernandez's, carried out the duties of ringbearer.

William Zumbro of Belleville was his brother's best man. The corps of ushers included Jeff and John Zumbro of Belleville, brothers of the bridegroom; Mike Hamilton of Flint and Rick Klutts of Fenton, both cousins of the bride; Stan Pech, Larry Schulz and Karl Hall, the bride's brother, all of Belleville.

Pink chiffon with a cape trimmed in fur was the choice of Mrs. Hall for her daughter's wedding. A matching floor length jacket complimented the green floral polyester gown which the bridegroom's mother chose for the occasion. Corsages of sweetheart roses, carnations and baby's breath were presented to both mothers.

The UAW Local 735 Hall in Belleville was reserved for the reception which followed. The young couple spent their honeymoon in northern Michigan.

The new Mrs. Zumbro and her husband both are Belleville High School graduates. A member of the class of 1975, she currently is employed at Elias Big Boy in Ann Arbor. A 1974 alumna, the bridegroom works as a guard for Pinkerson Security of Ypsilanti.

The rehearsal dinner was held at Vigo's in Ypsilanti.

Badges, pins awarded

Girl Scout Troop No. 734 held a family get-together at Haggerty School which included the presentation of pins, wall plaques and badges.

The Girl Scout law and promise were recited after which Gerry Grieves introduced the new committee people: Ruth Harris, Mr. and Mrs. Robert Cox, Joan Otterson, Gail Byles, Terry Green, Tom Clayton, Linda Griffith and Ralph Gillingham.

Barbara Gillingham made the presentation of pins and plaques to last year's committee people who received them from their own Girl Scout daughters. Gail Byles received the Girl Scout pin and plaque and Robert Cox, the lapel pin and plaque which he shared with his wife, Joy, who also received a pin. Still others earning the awards were Tom and Sharon Clayton, Ralph and Carol Hedman, Robert Magdowski, Ralph and Joan Otterson and Ralph Gillingham.

Hard work on the part of the scouts paid off when they added new

achievement badges to their collections.

Michèle Anthony now has the housekeeping, camping, health aid and troop crest badges; Dawn Clayton the Girl Scout pin and troop crest; Debbie Clayton the cooking, skating, music, camping, housekeeping and health aid badges, and Sue Clayton the pets, housekeeping, cooking, camping, health aid and troop crest.

Marianne Cox earned housekeeping, pets, pen pal, camping, story telling and health aid badges and the troop crest while Glenna Gillingham earned pets, housekeeping, story telling, camping, cooking, health aid and troop crest. Brownie wings, the year pin, Girl Scout pin and troop crest went to Cathy Ann Green; the troop crests to Lisa Griffith and Danielle Harris; camping, health aid and pets badges to Penny Hedman, and Girl Scout pin and troop crest to Kim Manus.

Needlecraft, health aid, cooking and troop crest went to Patti Martin; music, housekeeping, pets,

story telling, water fun, camping, health aid and troop crest to Patti Morrison and pets, housekeeping, water fun, camping, health aid and troop crest to Debbie May.

Cheryl McManus was awarded housekeeping, cooking, camping, health aid, observer and troop crest; Heidi Paterson the Girl Scout pin, world association, camping and health aid badges and Judy Pritchard the troop crest.

Completing the roster were Janet Ryan who now possesses the skating, water fun, outdoor cook, camping, housekeeping, health aid and troop crest; Theresa Stafford and Kathy Tomcheff the Girl Scout pin and troop crest; Karen Tomcheff, Debbie Wenson and Sharon Wiley, the troop crest and Linda Wenson, housekeeping, cooking, camping, health aid and troop crest.

The girls in turn presented Barbara Gillingham and Joan Ryan with a dozen red and white carnations which had been donated by the Cox's of Belv Flower and Gift Shop.

Ford Wives hear Michigan poet

An unusual program featuring Max Ellison, Michigan's own poet, was offered at the Ford Wives Club meeting Oct. 28. Max Ellison was born, raised and educated in Michigan. He has mixed poetry with a lifetime of "hugger mugger" farming. Having served in World War II with the 1st Cavalry Division, he received the Purple Heart with two Oak Leaf Clusters in the Philippine Campaign. His books have been well received and were available at the meeting. The Ford Wives Club

meets on the fourth Tuesday of each month at the Ford World Headquarters Building, Southfield at Michigan, at 8 p.m., in the auditorium. Wives of presently employed and of retired Ford workers, as well as widows, are welcome to attend a meeting prior to joining. Dues are \$5 per year and monthly meetings with varied and interesting subjects are planned. Other monthly activities are also offered at additional costs, ranging from trips to coffee concerts.

The UAW Local 735 Hall in Belleville was reserved for the reception which followed. The young couple spent their honeymoon in northern Michigan.

The rehearsal dinner was held at Vigo's in Ypsilanti.

Army jobs now:

If you're 17 and looking for a good job, now's a good time to look into the Army. From electronics to carpentry, from cooks to combat arms, the Army today has more good jobs to fill than anyone.

\$361 a month to start

Army pay is better than ever. And with free meals, free lodging, and free medical and dental care, you'll be surprised how far that pay will go.

Job-training courses

Ever wonder where to get that "experience necessary" the classified ads always ask for? A good place is the Army. With over 200 job-training courses, the Army can teach you skills you'll be glad to have later on.

Educational opportunities

Whether it's finishing high school or earning college credits, being in the Army can help you. And if you sign up for the Army's newest educational program, Project Ahead, you'll be able to start college at the same time you enlist—with the Army paying up to 75% of your tuition.

Travel opportunities

Joining the Army can mean a chance to work and live in Europe, Alaska, Hawaii, Korea, Panama or almost anywhere in the continental U.S.

Join now, go later

You can do just that—join now and report up to nine months later—with the Army's special Delayed Entry Program. A terrific option for high school seniors and others with unfinished business ahead of them.

First come, first serve.

Bandsmen weigh in for weight 'guesstimate'

One of the first things Steven Vandette of Belleville and Ronald Fox of Westland did as new members of the Michigan State University (MSU) Marching Band was get weighed.

Why? Besides a nonstop performing schedule this fall, the band is offering a special note to their performances.

Some lucky person, whose "guesstimate" is closest to the band's total weight, will win a 1976 Olds Cutlass Supreme. Runnersup will win a stereo music system, a 10-speed bicycle, winter term passes for two, to Dooley's Restaurant in East Lansing or dinner for two at Detroit's Roostertail Restaurant.

Contestants must guess the total weight of the Spartan marching band, including all instruments, sheet music, uniforms,

engineering.

Fox, the son of Mrs. Constance Fox of 32600 Cowan, Westland, graduated from John Glenn High School in 1974.

He is a sophomore, majoring in electrical engineering.

WEIGHING IN — Michigan State University (MSU) bandsmen including Steve Vandette of Belleville (left) and Ronald Fox of Westland (center) found that the first thing they did after donning their band uniforms this year was weigh in with August Thoma, a MSU senior. The scale session is part of a contest at the East Lansing college in which someone will win a car for guessing the total weight of the Spartan marching band.

Tickets for the contest can be purchased for \$1 at all Spartan home games, at the ticket office in the MSU Union Building, or at the MSU Band rehearsals every afternoon. Proceeds will go to the band for various university programs.

The deadline for entries is Nov. 12. Winners will be announced Nov. 15 at the MSU-Northwestern game.

Vandette, the son of Mr. and Mrs. Bernard Vandette of 45443 Harmony Lane, Belleville, graduated from Taylor Center High School in 1972. He is a senior at MSU majoring in civil

engineering.

Fox, the son of Mrs. Constance Fox of 32600 Cowan, Westland, graduated from John Glenn High School in 1974.

He is a sophomore, majoring in electrical engineering.

Volunteer to be honored

A Belleville resident will be honored at a special dinner tonight at the Host International Hotel at Detroit Metropolitan Airport in Romulus for her two years of volunteer service.

Dorothy Westergard of Liberty Street, Belleville, will be honored for her more than 500 hours of service to the Travelers Aid Society of Detroit during that 2-year time period.

She is among 55 Travelers Aid volunteers who provide assistance, information and directions to thousands of travelers at Detroit Metropolitan Airport.

The volunteers help children, the aged and handicapped on their journeys and aid those who find themselves lost stranded or confronted with a sudden crisis or problem.

The Travelers Aid Society is a United Fund Torch Drive agency.
